

SCIROCCO II BONDED BULLETS - 7MM (0.284") 150GR BOAT TAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Scirocco® II, with the Signature Black Tip™, is a superbly accurate hunting bullet designed for long-range efficiency. It carries velocity and energy better than any of its competitors. Its sleek design and high ballistic coefficient produces the flattest trajectory in downrange hunting, making it a perfect match for long-range cartridges. The Scirocco® II produces positive expansion at minimal velocities as well as controlled expansion and high weight retention at close range. No other tipped bullet offers the terminal range of Scirocco™ II. Polymer tip initiates expansion and is precisely shaped to reduce frontal air resistance. Advanced secant ogive nose profile allows high ballistic coefficient. Pure copper jacket is progressively tapered to control expansion development throughout a wide range of velocities. Jacket and core are joined together using proven Swift bonding technology. Long driving band for improved rotational stability. Boat tail base profile reduces drag and eases seating. Thick base prevents bullets deformation in high-velocity magnum calibers.

Attributes

- Name: [7MM \(0.284"\) 150GR BOAT TAIL 100/BOX](#)
- Manufacturer: [SWIFT BULLET](#)
- Product no.: 749010882
- Mfr. No.: 801508
- Ballistic Coefficient (G1): 0.515
- Brand Style: Scirocco II
- Bullet Style: Boat Tail (BT)
- Caliber: 7mm,284 Caliber
- Diameter (Breech): 0.284
- Diameter (in): 0.284
- Grain: 150
- Sectional Density: 0.226
- Quantity: 100
- Delivery weight: 0.998kg
- Shipping height: 36mm
- Shipping width: 61mm
- Shipping length: 94mm
- UPC: 611760804021

Safety Instruction Guide for SCIROCCO II BONDED BULLETS 7MM (0.284") 150GR BOAT TAIL 100/BOX

Introduction

Thank you for choosing the SCIROCCO II BONDED BULLETS. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. It complies with the EU General Product Safety Regulation (GPSR) to protect consumers from potential hazards.

General Safety Guidelines

- Ensure that you are familiar with the handling and use of ammunition before using this product.
- Always store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized users.
- Inspect ammunition regularly for signs of damage or wear before use.
- Always follow local laws and regulations regarding the purchase, storage, and use of ammunition.
- In case of any doubts or concerns regarding the safety of this product, contact your local authority or seek professional advice.

Specific Safety Precautions for Use

- Use only in firearms that are specifically chambered for 7mm caliber ammunition.
- Always wear appropriate eye and ear protection when shooting.
- Ensure that the shooting area is clear of people and obstacles.
- Do not attempt to modify or disassemble the bullets.
- Avoid using damaged or deformed ammunition.
- Follow the manufacturer's loading recommendations to avoid overpressure situations.
- Be aware of your surroundings and ensure safe backstops when shooting.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is clean and in good working condition.
- Check that the bullet is compatible with your firearm's specifications.

2. Loading:

- Carefully load the SCIROCCO II BONDED BULLETS into the magazine or chamber according to the firearm's manual.
- Ensure that the bullet is seated properly and securely.

3. Shooting:

- Position yourself in a stable shooting stance.
- Aim carefully and ensure the target is clear before firing.
- Fire the bullet as per standard shooting practices.

4. PostShooting:

- Clear the firearm according to the manufacturer's instructions.
- Store any unused bullets in their original packaging in a safe location.

Disposal Instructions

- Dispose of any unused or damaged ammunition in accordance with local regulations.
- Do not throw ammunition in the regular trash.
- Contact your local waste management authority for guidance on safe disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to your local authorities or seek assistance from a qualified professional. Always stay informed about the latest safety updates and recalls through the EU's Safety Gate platform.

By following these guidelines, you can ensure the safe use of SCIROCCO II BONDED BULLETS and enjoy a responsible shooting experience. Thank you for prioritizing safety.
