

# SCIROCCO II BONDED BULLETS - 30 CALIBER (0.308") 150GR BOAT TAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Scirocco® II, with the Signature Black Tip™, is a superbly accurate hunting bullet designed for long-range efficiency. It carries velocity and energy better than any of its competitors. Its sleek design and high ballistic coefficient produces the flattest trajectory in downrange hunting, making it a perfect match for long-range cartridges. The Scirocco® II produces positive expansion at minimal velocities as well as controlled expansion and high weight retention at close range. No other tipped bullet offers the terminal range of Scirocco™ II. Polymer tip initiates expansion and is precisely shaped to reduce frontal air resistance. Advanced secant ogive nose profile allows high ballistic coefficient. Pure copper jacket is progressively tapered to control expansion development throughout a wide range of velocities. Jacket and core are joined together using proven Swift bonding technology. Long driving band for improved rotational stability. Boat tail base profile reduces drag and eases seating. Thick base prevents bullets deformation in high-velocity magnum calibers.

## Attributes

- Name: [30 CALIBER \(0.308"\) 150GR BOAT TAIL 100/BOX](#)
- Manufacturer: [SWIFT BULLET](#)
- Product no.: 749010884
- Mfr. No.: 821506
- Ballistic Coefficient (G1): 0.430
- Brand Style: Scirocco II
- Bullet Style: Boat Tail (BT)
- Caliber: 30 Caliber
- Diameter (Breech): -
- Diameter (in): 0.308
- Grain: 150
- Sectional Density: 0.226
- Quantity: 100
- Delivery weight: 0.93kg
- Shipping height: 38mm
- Shipping width: 64mm
- Shipping length: 94mm
- UPC: 713351821506

# SCIROCCO II BONDED BULLETS 30 CALIBER Safety Instruction Guide

## Introduction

Thank you for choosing the SCIROCCO II BONDED BULLETS 30 CALIBER (0.308") 150GR BOAT TAIL. This product is designed for precision and performance in hunting applications. To ensure safe and effective use, please read this safety instruction guide carefully. It provides essential information about safe handling, usage, and disposal of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle ammunition with care and respect.
- Store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep out of reach of children and unauthorized persons.
- Use only in firearms that are designed for the specified caliber (0.308").
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding ammunition use and storage.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper handling or storage may lead to accidental discharge.
- Use in an incompatible firearm can result in malfunction or injury.
- Exposure to high velocities can cause bullets to deform if not handled correctly.

### • To Avoid Hazards:

- Always check the firearm's specifications before using the bullets.
- Never attempt to modify or alter the bullets.
- Inspect the bullets for any signs of damage before use.
- Do not use damaged or deformed bullets.

### • AgeSpecific Warnings:

- This product is intended for use by individuals aged 18 and older.
- Ensure that younger individuals are supervised by a responsible adult when in proximity to ammunition.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is unloaded before handling ammunition.
- Open the ammunition box carefully to avoid damaging the bullets.
- Load the bullets into the magazine or chamber according to the firearm's manual.

### 2. Usage:

- Always point the firearm in a safe direction when loading or unloading.
- Follow the manufacturer's instructions for your specific firearm model.

- After firing, ensure the firearm is clear of obstructions before reloading.
- Dispose of any misfired or damaged bullets according to local regulations.

## **Disposal Instructions**

- Dispose of used or damaged bullets in accordance with local hazardous waste regulations.
- Do not throw bullets in regular trash.
- Contact local authorities for information on proper disposal methods.
- Always ensure that any discarded ammunition is rendered unusable.

## **Contact Information for Further Support**

For any questions or concerns regarding the SCIROCCO II BONDED BULLETS, please consult your local firearms dealer or contact the manufacturer directly. Ensure you have the product information available for reference.

By following these guidelines, you can ensure safe and effective use of the SCIROCCO II BONDED BULLETS 30 CALIBER. Always prioritize safety and compliance with local laws when handling and using ammunition. Thank you for your attention to these important safety instructions.
