

# HANDGUN FORM & TRIM DIES - REDDING FORM AND TRIM DIE 357 MAGNUM

[Reloading](#) > [Reloading Dies](#) > [Handgun Dies](#)

Redding Trim Dies allow you to file trim your cases without unnecessary resizing. Other manufacturers use sizing die dimensions, forcing you to full length resize when trimming. For case forming and necking brass down from another caliber, Redding Trim Dies can be the perfect intermediate step before full length resizing. Pistol Trim Dies require extended shellholders (sold separately).

## Attributes

- Name: [REDDING FORM AND TRIM DIE 357 MAGNUM](#)
- Manufacturer: [REDDING](#)

# Safety Instruction Guide for Redding Form & Trim Dies 357 Magnum

## Introduction

Thank you for choosing the Redding Form & Trim Dies for your reloading needs. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully to familiarize yourself with the safety precautions and operational instructions.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Always wear appropriate safety gear, such as safety glasses and gloves, when handling reloading equipment.
- Inspect the product regularly for signs of damage or wear. Do not use damaged dies.
- Follow local laws and regulations regarding the use and storage of reloading equipment and ammunition.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the Redding Form & Trim Dies only with compatible cartridges, specifically 357 Magnum and 38 Special.
- Ensure that you are using extended shellholders as required; these are sold separately.
- Avoid fulllength resizing unless necessary. The Redding Trim Dies are designed to minimize resizing.
- When trimming cases, handle them with care to avoid injury from sharp edges.
- Follow the manufacturer's instructions for setup and operation to prevent accidents.
- Be aware of the potential risks of using reloading equipment, including the possibility of misfires or accidents if not used properly.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Gather all necessary tools and materials, including the Redding Form & Trim Dies, extended shellholders, and your reloading press.
2. **Setup:**
  - Ensure your reloading press is securely mounted.
  - Insert the Redding Form & Trim Die into the press according to the manufacturer's instructions.
  - Attach the appropriate shellholder to accommodate the cartridge being used.

### Usage

1. **Trimming Cases:**
  - Insert the case into the die and ensure it is properly seated.
  - Operate the press to trim the case to the desired length without unnecessary resizing.
  - Inspect the trimmed case for uniformity and any defects.
2. **Case Forming:**

- For necking brass down from another caliber, follow the same insertion and operation steps.
- Monitor the process closely to ensure proper forming of the case.

### **3. Safety Checks:**

- After each use, clean the dies and inspect them for any damage or wear.
- Store the dies in a safe, dry place away from children and unauthorized users.

## **Disposal Instructions**

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not throw away reloading components with regular household waste. Check for designated disposal sites for hazardous materials in your area.
- Always ensure that all materials are disposed of in a safe and environmentally friendly manner.

## **Contact Information for Further Support**

For any further inquiries or support regarding the Redding Form & Trim Dies, please refer to the manufacturer's website or contact their customer service directly.

By following these guidelines, you can ensure safe and effective use of the Redding Form & Trim Dies for your reloading activities. Thank you for prioritizing safety in your reloading practices.
