# Safety Instruction Guide for Redding 300 RCM Full Length Die Set

## Introduction

Thank you for choosing the Redding 300 RCM Full Length Die Set. This guide provides essential safety instructions to ensure the safe and effective use of your die set. Please read this document carefully before use.

## General Safety Guidelines

- Ensure that you are familiar with all safety procedures related to reloading ammunition.
- Always use the die set in accordance with the manufacturer's instructions.
- Inspect the die set for any damage or defects before each use.
- Keep the die set out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about any recalls or safety alerts related to the product by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as safety glasses and gloves, when handling reloading equipment.
- Avoid wearing loose clothing or jewelry that could get caught in the equipment.
- Ensure that your work area is clean and free from clutter to prevent accidents.
- Do not use the die set for any purpose other than its intended use.
- Be cautious when handling live ammunition and ensure that it is stored safely.

## Instructions for Installation and Usage

### 1. Installation of the Die Set

- Begin by ensuring your reloading press is securely mounted and stable.
- Remove the full length (FL) sizing die from its packaging.
- Screw the FL sizing die into the reloading press, ensuring it is tightened securely.
- Install the standard seating die in the same manner, ensuring it is properly aligned.

### 2. Usage of the Die Set

- Refer to the specific reloading data for the 300 Ruger Compact Magnum cartridge.
- Follow the recommended procedures for sizing and seating bullets.
- Always doublecheck measurements and adjustments before proceeding with reloading.
- After use, clean the die set to ensure longevity and performance.

## Disposal Instructions

- Dispose of any unused or defective components in accordance with local regulations.
- Do not dispose of the die set in regular household waste.
- Check with local authorities for proper disposal methods for metal and plastic components.

## Contact Information for Further Support

For any inquiries or concerns, please refer to the manufacturer's contact information provided with the product.

packaging.

Thank you for your attention to these safety instructions. Your safety is our priority, and we wish you a successful reloading experience with the Redding 300 RCM Full Length Die Set.
