# Safety Instruction Guide for Redding Full Length Die Set 370 Sako Mag

## Introduction

Thank you for choosing the Redding Full Length Die Set 370 Sako Mag. This guide provides essential safety instructions to ensure the safe and effective use of your die set. Please read this guide carefully before use.

## General Safety Guidelines

- Always handle all reloading equipment with care and follow all safety instructions.
- Ensure that the die set is used only for its intended purpose—reloading cartridges for the 370 Sako Mag.
- Keep the die set out of reach of children and unauthorized users.
- Use personal protective equipment (PPE) such as safety glasses and gloves when reloading.
- Be aware of your surroundings and ensure you are in a safe environment when using the die set.
- Regularly inspect the die set for any signs of damage or wear before each use.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper use of the die set can lead to serious injury or damage to the firearm.
- Always ensure that the die is properly adjusted to avoid oversizing or undersizing cartridges.

- **Avoiding Hazards:**

- Do not exceed recommended load specifications for the cartridges.
- Follow manufacturer guidelines for the use of reloading components.
- Make sure to doublecheck measurements and settings before proceeding with reloading.

- **Age Specific Warnings:**

- This product is intended for use by adults only. Ensure that minors are supervised when involved in reloading activities.

## Instructions for Installation and Usage

### 1. Installation:

- Securely mount the die set in a reloading press according to the manufacturer's instructions.
- Ensure that the sizing die is adjusted to the correct height for your specific cartridge.
- Tighten all screws and adjustments to prevent movement during use.

### 2. Usage:

- Follow these steps for reloading:
  - Begin by cleaning the brass cases to remove any dirt or debris.
  - Insert the brass case into the sizing die and operate the press to resize the case.
  - After resizing, check the case length and trim if necessary.
  - Use the seating die to seat the bullet into the prepared case, following the recommended specifications.
  - Inspect each cartridge after reloading for any defects or issues.
- Store completed ammunition in a safe, dry location away from heat sources.

## **Disposal Instructions**

- Dispose of any unused or expired components in accordance with local regulations.
- Do not dispose of cartridges or reloading materials in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Redding Full Length Die Set 370 Sako Mag, please refer to the manufacturer's contact information provided with your product.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and successful reloading experience.
