# Safety Instruction Guide for FULL LENGTH SIZING DIES REDDING FULL LENGTH SIZING DIE 308 MARLIN EXPRESS

## Introduction

Thank you for choosing the Redding Full Length Sizing Die for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of this product. By following these guidelines, you can minimize risks and enhance your reloading experience.

## General Safety Guidelines

- Always read and understand the instructions before using the product.
- Use the die only for its intended purpose: sizing cartridges for the 308 Marlin Express.
- Keep the die and all reloading components out of reach of children and unauthorized users.
- Inspect the die before each use for any signs of damage or wear.
- Wear appropriate safety gear, including safety glasses, while operating the die.
- Ensure your workspace is clean, dry, and well-lit to prevent accidents.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper use can lead to accidents, such as misfires or injuries.
  - Handling of reloading components may expose you to lead and other hazardous materials.
- **Avoiding Hazards:**
  - Always use a headspace gauge when setting up the full length sizing die to ensure proper fit.
  - Do not exceed the recommended load specifications for the cartridges.
  - Never attempt to modify or alter the die.
  - Use the decapping assembly and expander ball as instructed to prevent damage to the die or cartridges.

## Instructions for Installation and Usage

- **Installation:**
  1. Ensure your reloading press is securely mounted and stable.
  2. Insert the Redding Full Length Sizing Die into the reloading press according to the manufacturer's instructions.
  3. Adjust the die to the desired position, ensuring it is tightened securely.
- **Usage:**
  1. Prepare your cartridges by cleaning and inspecting them for defects.
  2. Place the cartridge into the shell holder of the reloading press.
  3. Pull the handle of the press to size the cartridge fully, ensuring the neck and body are adequately sized.
  4. After sizing, remove the cartridge and check for proper fit and dimensions.
  5. Repeat the process for each cartridge as needed.

## **Disposal Instructions**

- Dispose of any damaged or unusable reloading components according to local regulations.
- Ensure that all hazardous materials, including lead, are disposed of in a safe and environmentally friendly manner.
- Do not dispose of any reloading components in regular household waste.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and use of the Redding Full Length Sizing Die, please contact the manufacturer or the relevant safety authority in your area.

By following these safety guidelines and instructions, you can ensure a safe and efficient reloading process. Thank you for prioritizing safety in your reloading activities.
