FULL LENGTH SIZING DIES SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the Redding Full Length Sizing Die for your reloading needs. This guide provides essential safety instructions, usage guidelines, and contact information to ensure safe and effective use of the product. Please read this guide carefully before using the dies.

General Safety Guidelines

- Always follow the manufacturer's instructions when using the sizing die.
- Ensure your work area is clean, dry, and welllit.
- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves.
- Keep the dies and other reloading equipment out of reach of children and pets.
- Inspect the die before each use for any signs of damage or wear.
- Do not use the die if it appears damaged or malfunctioning.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the cartridge you are working with is compatible with the die (370 Sako Mag).
- Use a headspace gauge when setting up the full length sizing die to avoid incorrect sizing.
- Always decap the brass before resizing to prevent damage to the die.
- Avoid using excessive force when operating the die; this can lead to injury or equipment damage.
- Store the die in a safe place when not in use to prevent accidental injury or damage.

Instructions for Installation and Usage

1. Installation

- Remove the die from its packaging and inspect it for any damage.
- Secure the die in your reloading press according to the manufacturer's instructions.
- Adjust the die to the correct position based on the type of cartridge you are using.

2. Usage

- Begin by ensuring that the reloading press is set to a safe position.
- Insert the cartridge case into the die.
- Apply even pressure on the press handle to size the cartridge case fully.
- After sizing, remove the cartridge from the die carefully.
- If necessary, repeat the process for additional cases, ensuring to check each one for proper sizing.

Disposal Instructions

- Dispose of any damaged or wornout dies in accordance with local regulations.
- Do not dispose of the dies in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Redding Full Length Sizing Die, please refer to the manufacturer's contact information provided with the product packaging or visit their official website for support.

By following these safety instructions and guidelines, you can ensure a safe and efficient reloading experience. Thank you for your attention to these important details.
