Safety Instruction Guide for FULL LENGTH SIZING DIES REDDING FULL LENGTH SIZING DIE 400 CORBON

Introduction

Thank you for choosing the Redding Full Length Sizing Die 400 CorBon. This guide provides important safety instructions to ensure the safe and effective use of this product. Please read this document carefully before using the sizing die.

General Safety Guidelines

- Ensure safe use of the product by following all instructions.
- Be aware of potential hazards associated with reloading and handling ammunition.
- Keep the die and all related equipment out of reach of children and vulnerable individuals.
- Always use personal protective equipment (PPE) such as safety glasses and gloves when handling reloading equipment.
- Regularly inspect the die for wear or damage before use.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always use a headspace gauge when setting up the full length sizing die to avoid oversizing or undersizing the cartridge.
- Handle the die with care to prevent injury. The edges may be sharp.
- Ensure the work area is clean and free from distractions while using the die.
- Do not attempt to modify or alter the die in any way.
- Store the die in a safe, dry place when not in use to prevent damage and ensure longevity.

Instructions for Installation and Usage

1. Setting Up the Die:

- Remove the die from its packaging.
- Ensure the decapping assembly and expander ball are correctly installed.
- Secure the die in the press according to the manufacturer's instructions.

2. Using the Die:

- Insert the cartridge case into the die.
- Operate the press smoothly and steadily, ensuring the case is fully sized.
- After sizing, remove the cartridge case and inspect it for proper sizing and any signs of damage.

3. PostUsage Care:

- Clean the die after each use to remove any debris or residue.
- Apply a light coat of oil to prevent rust and corrosion.
- Store the die in its original packaging or a dedicated storage container.

Disposal Instructions

- Dispose of any damaged or worn components according to local regulations.
- Do not throw the die in regular household waste. Check with local authorities for proper disposal methods for metal items.

Contact Information for Further Support

For further assistance or inquiries regarding safety, please refer to the contact information provided with your product packaging.

Thank you for your attention to these safety instructions. Your safety is our priority.
