# Safety Instruction Guide for FULL LENGTH SIZING DIES REDDING 6.5MM CREEDMOOR FULL LENGTH SIZING DIE

## Introduction

Thank you for choosing the FULL LENGTH SIZING DIES REDDING 6.5MM CREEDMOOR FULL LENGTH SIZING DIE. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the die to understand the potential hazards and how to avoid them.

## General Safety Guidelines

- Ensure that all users are familiar with the proper use of reloading equipment.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling reloading dies and components.
- Keep the work area clean and organized to prevent accidents.
- Store the dies in a dry and secure location, out of reach of children and pets.
- Regularly inspect the dies for any signs of wear or damage before use.
- Be aware of the specific cartridge specifications to ensure compatibility.

## Specific Safety Precautions for Use

- Only use the die with the appropriate 6.5mm Creedmoor cartridges.
- Do not exceed the recommended load limits when reloading ammunition.
- Ensure that the reloading press is securely mounted and stable before use.
- Avoid wearing loose clothing or jewelry that may become caught in the equipment.
- Do not attempt to modify the die or use it for any purpose other than intended.
- If you experience any malfunctions or unusual behavior during use, stop immediately and inspect the equipment.

## Instructions for Installation and Usage

### 1. Installation:

- Securely mount the reloading press on a stable surface.
- Attach the FULL LENGTH SIZING DIE to the press according to the manufacturer's instructions.
- Ensure the decapping assembly and expander ball are properly installed.

### 2. Usage:

- Adjust the die according to the manufacturer's guidelines for proper headspace.
- Insert the cartridge case into the shell holder of the reloading press.
- Pull the handle of the press to size the cartridge case, ensuring that the die fully engages the case.
- Remove the sized case and inspect it for proper sizing and any defects.
- Repeat the process for additional cases as needed.

## Disposal Instructions

- Dispose of any damaged or worn dies in accordance with local regulations.
- Do not dispose of reloading components or materials in regular household waste.
- Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the FULL LENGTH SIZING DIES REDDING 6.5MM CREEDMOOR FULL LENGTH SIZING DIE, please refer to the manufacturer's contact information provided with the product. It is important to have access to support for any safety inquiries or product issues.

By following these safety instructions, you can ensure a safe and effective reloading experience. Always prioritize safety and be aware of the proper handling techniques for all reloading equipment. Thank you for your attention to these important guidelines.
