GRX Bottle and Adapter Safety Instructions

Introduction

Thank you for choosing the GRX Bottle and Adapter from Redding. This product is designed for use with Redding GRx pushthru base sizing dies. It is important to read and follow these safety instructions to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used for its intended purpose only.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- Use the product in a wellventilated area to avoid inhalation of any dust or particles.
- Do not attempt to modify or repair the product yourself.
- In case of any malfunction, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

• Hazard Identification:

- The GRX Bottle is made of HDPE (HighDensity Polyethylene), which is generally safe but can crack if subjected to extreme temperatures.
- Ensure that the bottle is not exposed to direct sunlight for prolonged periods to avoid degradation of the material.

• Avoiding Hazards:

- Always use the bottle in accordance with the manufacturer's instructions.
- Do not overfill the bottle; adhere to the maximum capacity of 32 oz.
- Handle the bottle with care to prevent spills or breakage.
- If the bottle is damaged, do not use it and dispose of it properly.

• AgeSpecific Warnings:

- This product is not a toy and should not be used by children.
- Ensure that only individuals who understand the safety guidelines are allowed to use the product.

Instructions for Installation and Usage

1. Preparation:

- Ensure that you have the necessary Redding GRx pushthru base sizing dies ready for use.
- Make sure your workspace is clean and free of any obstructions.

2. Using the GRX Bottle:

- Position the GRX Bottle securely under the sizing die.
- Insert the brass casing into the die as per the manufacturer's instructions.
- Once the brass has been pushed through the die, it will be caught by the GRX Bottle.
- Check the bottle regularly to ensure it is not overfilled.

3. PostUse:

- After use, carefully remove the bottle from the work area.
- Clean the bottle as necessary, following any specific cleaning instructions provided by the manufacturer.

Disposal Instructions

- Dispose of the GRX Bottle in accordance with local regulations for plastic waste.
- Do not incinerate the bottle as it may release harmful fumes.
- If the bottle is no longer usable, ensure it is recycled properly to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or additional information regarding the GRX Bottle and Adapter, please refer to the manufacturer's website or contact their customer support.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using your GRX Bottle and Adapter.
