GRX Bottle and Adapter Safety Instruction Guide

Introduction

Thank you for choosing the GRX Bottle and Adapter by Redding. This product is designed for use with Redding GRX pushthru base sizing dies and is intended to catch sized brass after it has been pushed through the die. To ensure safe and effective use of this product, please read this safety instruction guide carefully.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear before use.
- If you notice any defects or irregularities, do not use the product and contact the manufacturer for guidance.
- Follow all local regulations regarding the disposal of materials and products.

Specific Safety Precautions for Use

- Ensure that the product is used in a wellventilated area to avoid inhalation of any dust or debris.
- Do not attempt to modify or alter the product in any way, as this may compromise its safety and effectiveness.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the product.
- Do not use the bottle without ensuring it is securely attached to the adapter.
- Avoid overfilling the bottle to prevent spillage and potential hazards.

Instructions for Installation and Usage

1. Installation

- Ensure that the GRX Bottle is clean and free of any debris.
- Align the bottle with the adapter and push down firmly until it clicks into place.
- Check that the bottle is securely attached by gently pulling on it.

2. Usage

- Place the GRX Bottle and Adapter assembly in a stable and secure location.
- Insert the Redding GRX pushthru base sizing die into your reloading press as per the manufacturer's instructions.
- Begin the sizing process as directed, ensuring that the brass is properly aligned with the die.
- Once the brass has been pushed through the die, it will fall into the GRX Bottle.
- Periodically check the bottle to ensure it is not overfilled and empty it as necessary.

Disposal Instructions

- Dispose of the GRX Bottle and Adapter in accordance with local waste disposal regulations.
- If the product is damaged or no longer usable, consider recycling options if available.
- Do not dispose of the product in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's official contact points for

assistance.

Thank you for your attention to these safety guidelines. Your safety is our priority, and proper use of the GRX Bottle and Adapter will help ensure a safe and effective reloading experience.
