Safety Instruction Guide for Redding #33 Shellholder

Introduction

Thank you for choosing the Redding #33 Shellholder. This product is designed for safe and effective use in reloading ammunition. Please read this safety instruction guide carefully to ensure safe handling and operation.

General Safety Guidelines

- Always handle the shellholder with care to avoid injury.
- Ensure that your working area is clean and free of any obstructions.
- Keep the shellholder out of reach of children and pets.
- Use the shellholder only for its intended purpose.
- Regularly inspect the shellholder for any signs of damage or wear before use.
- Follow all manufacturer instructions when using the shellholder with your reloading press.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Wear appropriate safety gear, including safety glasses and gloves, when using the shellholder.
- Do not exceed the recommended load limits for your reloading press.
- Ensure that the shellholder is securely attached to the press before use.
- Avoid placing fingers or hands near moving parts during operation.
- Do not attempt to modify the shellholder in any way.
- If you experience any difficulty while using the shellholder, stop immediately and consult the manufacturer's instructions.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is turned off and unplugged.
- Locate the shellholder slot on your reloading press.
- Align the Redding #33 Shellholder with the slot and insert it firmly until it is secured.
- Check that the shellholder is properly seated and does not wobble.

2. Usage:

- Select the appropriate cartridge case for reloading.
- Place the cartridge case into the shellholder, ensuring that it fits snugly.
- Follow the reloading press instructions to begin the reloading process.
- After reloading, carefully remove the cartridge case from the shellholder.

Disposal Instructions

- Dispose of any damaged or worn shellholders in accordance with local regulations.
- Do not throw the shellholder in regular household waste.
- Check with local waste management services for proper disposal methods for metal products.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Redding #33 Shellholder, please consult the manufacturer's website or customer service resources.

Thank you for your attention to these safety instructions. Your safety is our priority.
