# Safety Instruction Guide for Redding Full Length Sizing Die 3840 WCF

## Introduction

Thank you for choosing the Redding Full Length Sizing Die 3840 WCF. This product is designed to help you resize the full length of your cartridge, ensuring optimal performance and safety during use. Please read this safety instruction guide carefully to understand how to use this product safely and effectively in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure the product is suitable for your specific cartridge type and meets your reloading requirements.
- Always inspect the die for any signs of damage or wear before use.
- Store the die in a safe, dry place away from children and unauthorized users.
- Follow all manufacturer instructions and guidelines for safe use.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when using reloading equipment.
- Keep your work area clean and organized to prevent accidents.
- Avoid distractions while operating the die to maintain focus and control.
- Use a headspace gauge when setting up the full length sizing die to ensure proper sizing and safe operation.
- Never exceed the recommended load limits for your cartridges.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Insert the Redding Full Length Sizing Die into the press according to the manufacturer's instructions.
- Adjust the die to the desired position based on your specific cartridge requirements.

### 2. Usage:

- Insert an empty case into the shell holder of the reloading press.
- Raise the ram to bring the case into contact with the die.
- Apply steady pressure to resize the case fully, ensuring that the neck and body are properly sized.
- After resizing, remove the case and inspect it for any abnormalities.
- Repeat the process for additional cases as needed.

## Disposal Instructions

- Dispose of any damaged or worn dies according to local regulations.
- Do not throw the die in regular household waste; instead, consult local recycling or hazardous waste disposal guidelines for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Redding Full Length Sizing Die 3840 WCF or safety inquiries, please reach out to the appropriate EUbased contact for support.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you have a successful reloading experience.
