

TYPE S BUSHING FULL DIES - REDDING 308 WINCHESTER SMALL BASE BUSHING FULL LENGTH TYPE S DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Full Length resizing while maintaining exact control of the case neck is often desirable in one operation. The Redding Type S Bushing Full Length Sizing Dies accomplish this task with the precision you would expect from Redding. Uses the same interchangeable bushings as those used in Redding bushing style neck sizing dies. The adjustable decapping rod allows you to adjust the bushing position, sizing only part of the neck length when desired. Concentricity is enhanced by the ability of the bushing to self-center on the neck of the cartridge case. All Type S dies are supplied with both the standard size button and a decapping pin retainer. By removing the bushing and all internal parts, the Type S Bushing Full Die may also be used as a body die.

Safety Instructions Guide for TYPE S BUSHING FULL DIES REDDING 308 WINCHESTER SMALL BASE BUSHING FULL LENGTH TYPE S DIE

Introduction

Thank you for choosing the TYPE S BUSHING FULL DIES REDDING 308 WINCHESTER SMALL BASE BUSHING FULL LENGTH TYPE S DIE. This product is designed to provide precision resizing of cartridge cases while maintaining control over the case neck. Please read this safety instructions guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- **Product Safety:** Always ensure that the product is used as intended and according to the manufacturer's instructions. This product is designed for nonfood use only.
- **Enhanced Recalls:** Stay informed about any recall notices regarding this product. If notified of a recall, follow the instructions provided by the manufacturer.
- **Online Shopping:** If purchased online, ensure that the platform complies with safety requirements and provides adequate product information.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the manufacturer's contact information provided with the product.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on product safety and potential hazards.

Specific Safety Precautions for Use

- **Read the Instructions:** Before using the die, read all instructions carefully to understand proper usage and safety measures.
- **Wear Protective Gear:** Always wear appropriate safety gear, such as safety glasses and gloves, when handling the die and during the reloading process.
- **Inspect the Die:** Before each use, inspect the die for any signs of damage or wear. Do not use if damaged.
- **Avoid Overloading:** Do not exceed the recommended load specifications when resizing cases to prevent accidents.
- **Keep Work Area Clean:** Maintain a clean and organized work area to reduce the risk of accidents.
- **Store Safely:** Store the die in a secure location when not in use to prevent unauthorized access.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is securely mounted and stable.
- Insert the TYPE S BUSHING FULL DIE into the press according to the manufacturer's instructions.
- Tighten the die securely to prevent movement during use.

2. Usage:

- Adjust the bushing position using the adjustable decapping rod to size the neck length as needed.
- Ensure the cartridge case is properly positioned in the die before resizing.
- Operate the press smoothly and steadily to achieve consistent results.
- After resizing, remove the cartridge case carefully to avoid injury.

Disposal Instructions

- **Proper Disposal:** Dispose of any damaged or worn components of the die in accordance with local regulations. Do not dispose of in regular household waste.
- **Recycling:** Where possible, recycle materials according to local recycling guidelines.

Contact Information for Further Support

For any questions or concerns regarding the use of the TYPE S BUSHING FULL DIES REDDING 308 WINCHESTER SMALL BASE BUSHING FULL LENGTH TYPE S DIE, please refer to the manufacturer's contact information provided with the product.

By following these safety instructions, you can ensure a safe and effective reloading experience. Thank you for your attention to safety and for choosing Redding products.
