

# TYPE S MATCH BUSHING FULL DIE SETS - REDDING 6.5MM CREEDMOOR BUSHING FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Type S Match Bushing Full Die Set contains a Type S Bushing Full Sizing Die and a Competition Seating Die. The Type S Bushing Full Die allows full length resizing while maintaining exact control of the case neck.

Interchangeable bushings allow you to determine your own level of sizing and neck tension. The Competition Bullet Seating Die features a micrometer calibrated in .001" increments and floating seating stem system which help eliminate concentricity problems.

# **Safety Instruction Guide for Redding Type S Match Bushing Full Length Die Set, 6.5 Creedmoor**

## **Introduction**

Thank you for choosing the Redding Type S Match Bushing Full Length Die Set for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of your die set. Please read this document carefully before using the product.

## **General Safety Guidelines**

- Always keep the die set out of reach of children and vulnerable individuals.
- Use the die set only for its intended purpose: reloading ammunition for the 6.5 Creedmoor cartridge.
- Ensure you are familiar with the reloading process and safety protocols before using the die set.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling materials.
- Maintain a clean and organized workspace to prevent accidents and injuries.
- Do not use the die set if it appears damaged or if any components are missing.
- Follow all local laws and regulations regarding ammunition reloading and storage.

## **Specific Safety Precautions for Use**

- Always read and follow the manufacturer's instructions provided with the die set.
- Check the compatibility of the die set with your reloading press before use.
- Use only highquality components that meet industry standards for reloading.
- Avoid overloading the die set beyond its specified limits.
- Use proper techniques when adjusting the die to prevent personal injury and ensure accurate ammunition.
- Store the die set in a dry, cool place when not in use to prevent corrosion and damage.
- If you experience any unusual resistance or difficulty while using the die set, stop immediately and inspect for issues.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Gather all necessary tools and materials, including the die set, reloading press, and components.
- Ensure your workspace is clean and free of distractions.

### **2. Installation:**

- Securely mount the reloading press according to the manufacturer's instructions.
- Carefully follow the die set installation instructions:
  - Remove the die from its packaging.
  - Install the die into the press by threading it into the appropriate position.
  - Tighten the die securely, ensuring it is aligned properly.

### **3. Usage:**

- Follow these steps for reloading:
  - Prepare your brass cases by cleaning and inspecting them for defects.

- Adjust the die as needed for your specific reloading requirements.
- Use the appropriate bushing for sizing the neck of the brass case.
- Follow the powder and bullet loading specifications for the 6.5 Creedmoor cartridge.
- After reloading, inspect each round for quality and safety.

#### 4. PostUse Care:

- Clean the die set after each use to maintain performance and longevity.
- Store the die set in its original packaging or a suitable storage container.

## Disposal Instructions

- Dispose of any unused components and packaging materials in accordance with local regulations.
- Do not dispose of hazardous materials in regular household waste. Check with local authorities for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the Redding Type S Match Bushing Full Length Die Set, please refer to the manufacturer's contact information provided with the product. It is important to address any issues or inquiries promptly to ensure safe usage.

## Conclusion

By following these safety instructions, you can ensure a safe and effective reloading experience with your Redding Type S Match Bushing Full Length Die Set. Always prioritize safety and compliance with local regulations during the reloading process. Thank you for choosing Redding, and happy reloading!
