

# TYPE S MATCH BUSHING FULL DIE SETS - REDDING 260 REMINGTON ACKLEY IMPROVED BUSHING FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Type S Match Bushing Full Die Set contains a Type S Bushing Full Sizing Die and a Competition Seating Die. The Type S Bushing Full Die allows full length resizing while maintaining exact control of the case neck. Interchangeable bushings allow you to determine your own level of sizing and neck tension. The Competition Bullet Seating Die features a micrometer calibrated in .001" increments and floating seating stem system which help eliminate concentricity problems.

# Safety Instruction Guide for TYPE S MATCH BUSHING FULL DIE SETS

## Introduction

Thank you for choosing the Redding Type S Match Bushing Full Die Set for your reloading needs. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this manual carefully before using the die set.

## General Safety Guidelines

- Always handle reloading tools with care and follow all safety instructions.
- Ensure you are familiar with the proper handling and use of firearms and ammunition.
- Keep the die set out of reach of children and unauthorized users.
- Inspect the die set for damage before each use. Do not use if any parts are damaged.
- Always wear appropriate safety gear, including safety glasses, when reloading ammunition.
- Follow local laws and regulations regarding ammunition reloading.

## Specific Safety Precautions for Use

- Use only the recommended cartridges (260 Remington Ackley Improved) with this die set.
- Ensure that your reloading press is compatible with the die set before installation.
- Do not exceed the recommended load data provided by the bullet manufacturer.
- Be cautious of the bushing adjustments to avoid oversizing the case neck.
- Avoid distractions while reloading to maintain focus and accuracy.
- Store the die set in a dry and secure location when not in use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is clean and free from debris.
- Securely attach the Type S Bushing Full Sizing Die to the press following the manufacturer's instructions.
- Insert the appropriate size bushing into the die, ensuring it is properly seated.
- Attach the Competition Bullet Seating Die to the press, following the same procedure.

### 2. Usage:

- Begin by resizing the cases using the Type S Bushing Full Sizing Die. Adjust the bushing to achieve the desired neck tension.
- After resizing, inspect each case for any signs of damage or improper sizing.
- Use the Competition Bullet Seating Die to seat bullets. Adjust the micrometer for precise bullet seating depth.
- Monitor the seating process to ensure consistent results and avoid any concentricity issues.

### 3. PostUse:

- Clean the die set after each use to prevent corrosion and maintain functionality.
- Store the die set in its original packaging or a suitable container to protect it from damage.

## **Disposal Instructions**

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not dispose of the die set in regular household waste. Check for recycling options or hazardous waste disposal facilities.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the Redding Type S Match Bushing Full Die Set, please refer to the manufacturer's website or contact their customer service for assistance.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective reloading experience with the Redding Type S Match Bushing Full Die Set. Always prioritize safety in all aspects of ammunition reloading. Thank you for your attention to these guidelines.
