# Safety Instruction Guide for TYPE S MATCH BUSHING NECK DIE SET 6.5MM CREEDMOOR

## Introduction

Thank you for choosing the TYPE S MATCH BUSHING NECK DIE SET 6.5MM CREEDMOOR. This product is designed to assist in the reloading of ammunition for the 6.5 Creedmoor cartridge. It is essential to follow the safety instructions outlined in this guide to ensure safe and effective use.

## General Safety Guidelines

- Always read and understand the instructions before using the die set.
- Use the die set only for its intended purpose.
- Keep the die set out of reach of children and unauthorized users.
- Inspect the die set before each use to ensure it is in good condition.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Wear appropriate safety gear, including safety glasses and gloves, when using the die set.
- Ensure that the workspace is clean and free from distractions.
- Do not use the die set if you are tired or under the influence of alcohol or drugs.
- Keep fingers and other body parts away from moving parts during operation.
- Avoid using excessive force when operating the die set to prevent damage or injury.
- If the die set malfunctions, cease use immediately and consult a professional.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure your workspace is clean and organized.
2. **Check Components:** Verify that all components of the die set are included:
  - Type S Bushing Neck Sizing Die
  - Body Die
  - Competition Seating Die
3. **Mounting the Dies:**
  - Securely mount the dies in a suitable reloading press according to the manufacturer's instructions.
  - Ensure that the dies are tightened properly to prevent movement during use.

### Usage

1. **Sizing:**
  - Insert the case into the Type S Bushing Neck Sizing Die and adjust the bushing to achieve the desired neck tension.
  - Operate the reloading press to size the case, ensuring smooth movement.
2. **Body Die:**
  - Use the Body Die to resize the entire case if needed. Follow the same process as above, ensuring the case is properly aligned.

### **3. Seating:**

- Place the bullet into the case and insert it into the Competition Seating Die.
- Adjust the die to achieve the desired bullet seating depth.
- Operate the press to seat the bullet securely.

### **4. PostUse Care:**

- Clean the dies after use to prevent corrosion and ensure longevity.
- Store the die set in a dry place, away from moisture and extreme temperatures.

## **Disposal Instructions**

- Dispose of any unusable or damaged components in accordance with local regulations.
- Do not dispose of the die set in regular household waste. Instead, contact local waste management services for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the TYPE S MATCH BUSHING NECK DIE SET 6.5MM CREEDMOOR, please refer to the manufacturer's website or your point of purchase for assistance.

By adhering to these safety instructions, you can ensure the safe and effective use of the TYPE S MATCH BUSHING NECK DIE SET 6.5MM CREEDMOOR. Thank you for prioritizing safety in your reloading practices.
