# Safety Instruction Guide for SINCLAIR AllPurpose Bore Guide Collars

## Introduction

Thank you for choosing the SINCLAIR #1 AllPurpose Bore Guide Collars. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this guide carefully before use to understand how to operate the bore guide collars safely and effectively.

## General Safety Guidelines

- Always use the bore guide collars in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the bore guide collars for any signs of wear or damage before each use.
- Ensure your working area is clean and free from obstructions to prevent accidents.
- Do not use the bore guide collars for any purpose other than what they are designed for.

## Specific Safety Precautions for Use

- When using the bore guide collars, always wear appropriate personal protective equipment, such as safety glasses and gloves.
- Avoid contact with sharp edges or points on the bore guide collars.
- Ensure that the bore guide collar is securely attached before use to prevent it from coming loose during operation.
- Do not exceed the recommended size specifications when using the bore guide collars.
- If you experience any difficulties or feel unsafe while using the product, stop immediately and consult the instructions or seek assistance.

## Instructions for Installation and Usage

### 1. Installation:

- Select the appropriate bore guide collar size for your cleaning rod.
- Align the collar with the cleaning rod and slide it into place until it is snug.
- Ensure that the collar is securely fastened and cannot move freely.

### 2. Usage:

- Insert the cleaning rod, with the attached bore guide collar, into the bore of the firearm.
- Ensure the collar fits snugly against the chamber of the firearm.
- Proceed with your cleaning procedure as per the firearm manufacturer's guidelines.

### 3. PostUse:

- After use, remove the bore guide collar from the cleaning rod.
- Clean the collar with a soft cloth to remove any residue.
- Store the collar in a safe and dry place, away from direct sunlight and moisture.

## Disposal Instructions

- Dispose of the bore guide collars in accordance with local regulations.
- If the product is damaged beyond repair, ensure it is disposed of in a manner that does not pose a risk to the environment.

- Do not dispose of the product in regular household waste if it contains hazardous materials. Consult local waste management guidelines for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the use of the SINCLAIR AllPurpose Bore Guide Collars, please contact the manufacturer directly through the appropriate channels.

## **Conclusion**

Following these safety instructions will help ensure a safe and effective experience with your SINCLAIR AllPurpose Bore Guide Collars. Always prioritize safety and do not hesitate to reach out for assistance if needed. Thank you for your attention to these important guidelines.
