

SINCLAIR CASE NECK BRUSHES - CASE NECK CLEANING BRUSH, 22 CALIBER-6.5MM

[Reloading](#) > [Case Cleaning](#) > [Case Cleaning Products](#)

The Sinclair Case Neck Brushes are used to keep case necks free from dirt and powder residue build-up. Brushes are nylon bristle with a closed-loop bronze core to protect from scratching your case necks. The 8-32 male threads fit the Sinclair Accessory Handle (not included). We offer brush sizes to more appropriately clean today's popular calibers, including 17's and 20's. Brushes are available individually, or complete in the Sinclair Case Neck Cleaning Kit with one of each size brush and the Sinclair Accessory Handle.

Sinclair Case Neck Brushes Safety Instruction Guide

Introduction

Thank you for choosing the Sinclair Case Neck Brushes. These brushes are designed to keep case necks clean from dirt and powder residue. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always use the Sinclair Case Neck Brushes as intended.
- Keep brushes out of reach of children to prevent accidental injury.
- Inspect the brushes for any signs of damage before use.
- Do not use the brushes on damaged or deformed case necks.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the brushes are used only with the Sinclair Accessory Handle.
- Avoid excessive force when cleaning to prevent damage to the case necks.
- Do not use the brushes for any purpose other than cleaning case necks.
- Wear safety goggles if there is a risk of debris flying during cleaning.
- Do not leave brushes unattended while in use.

Instructions for Installation and Usage

1. Preparation:

- Gather your Sinclair Case Neck Brush and the Sinclair Accessory Handle.
- Ensure your workspace is clean and free from obstructions.

2. Attaching the Brush:

- Take the Sinclair Case Neck Brush and locate the 832 male threads.
- Carefully screw the brush into the Sinclair Accessory Handle until secure.

3. Cleaning Process:

- Insert the brush into the case neck.
- Rotate the handle gently to clean the interior of the neck.
- Repeat as necessary to achieve desired cleanliness.
- Remove the brush from the case neck after use.

4. PostUse Care:

- Clean the brush with a dry cloth to remove any residue.
- Store the brushes in a safe, dry place away from children.

Disposal Instructions

- Dispose of any damaged brushes in accordance with local waste disposal regulations.

- Recycle the brushes if possible, ensuring they are clean and free from contaminants.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the Sinclair Case Neck Brushes, please refer to the appropriate contact point as indicated in the product packaging or user manual.

Thank you for your attention to these safety instructions. Enjoy using your Sinclair Case Neck Brushes responsibly!
