

SINCLAIR CASE NECK BRUSHES - CASE NECK CLEANING BRUSH, 6.5MM-30 CALIBER

[Reloading](#) > [Case Cleaning](#) > [Case Cleaning Products](#)

The Sinclair Case Neck Brushes are used to keep case necks free from dirt and powder residue build-up. Brushes are nylon bristle with a closed-loop bronze core to protect from scratching your case necks. The 8-32 male threads fit the Sinclair Accessory Handle (not included). We offer brush sizes to more appropriately clean today's popular calibers, including 17's and 20's. Brushes are available individually, or complete in the Sinclair Case Neck Cleaning Kit with one of each size brush and the Sinclair Accessory Handle.

Sinclair Case Neck Brushes Safety Instruction Guide

Introduction

Thank you for choosing the Sinclair Case Neck Brushes. This guide provides essential safety instructions and usage guidelines to ensure safe handling and effective use of the product. Please read this document carefully before using the brushes.

General Safety Guidelines

- Ensure that the brushes are used only for their intended purpose: cleaning case necks.
- Store the brushes in a dry place, away from moisture and extreme temperatures.
- Inspect the brushes before each use. If any damage is found, do not use the brush.
- Keep the brushes out of reach of children to prevent accidental injury or misuse.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as safety glasses, when using the brushes.
- Use the brushes gently to avoid damaging the case necks.
- Do not use excessive force while cleaning, as this may lead to scratching or damaging the case neck.
- Ensure that the brush is securely attached to the Sinclair Accessory Handle before use.
- Avoid using the brushes with chemicals or solvents that may degrade the nylon bristles.

Instructions for Installation and Usage

1. Installation:

- Select the desired brush size appropriate for your caliber (6.5mm 30 caliber).
- Attach the brush to the Sinclair Accessory Handle by screwing it onto the 832 male threads until it is secure.

2. Usage:

- Insert the brush into the case neck.
- Rotate the handle gently while pulling the brush out to clean the interior of the neck.
- Repeat the process as necessary until the case neck is clean.
- After use, clean the brush with a dry cloth to remove any residue.

Disposal Instructions

- Dispose of any damaged brushes in accordance with local waste disposal regulations.
- Do not incinerate the brushes, as they may release harmful substances when burned.
- If the brushes are still in usable condition, consider donating them to a local shooting club or organization.

Contact Information for Further Support

For any questions or concerns regarding the Sinclair Case Neck Brushes, please consult the manufacturer or refer to the product packaging for additional support resources.

Thank you for following these safety guidelines. Proper usage and care of the Sinclair Case Neck Brushes will

enhance your reloading experience and ensure safety during the process.
