

# SINCLAIR CASE NECK BRUSHES - CASE NECK CLEANING BRUSH, 8MM-45 CALIBER

[Reloading](#) > [Case Cleaning](#) > [Case Cleaning Products](#)

The Sinclair Case Neck Brushes are used to keep case necks free from dirt and powder residue build-up. Brushes are nylon bristle with a closed-loop bronze core to protect from scratching your case necks. The 8-32 male threads fit the Sinclair Accessory Handle (not included). We offer brush sizes to more appropriately clean today's popular calibers, including 17's and 20's. Brushes are available individually, or complete in the Sinclair Case Neck Cleaning Kit with one of each size brush and the Sinclair Accessory Handle.

# Safety Instruction Guide for Sinclair Case Neck Brushes

## Introduction

Thank you for choosing the Sinclair Case Neck Brushes. This guide provides essential safety instructions to ensure the safe and effective use of our product. Please read this guide carefully to understand how to use the brushes safely and responsibly.

## General Safety Guidelines

- Ensure the brushes are used only for their intended purpose: cleaning case necks.
- Keep brushes out of reach of children to prevent accidental injury.
- Inspect brushes before each use for any signs of damage or wear. Do not use damaged brushes.
- Always use the brushes with the appropriate Sinclair Accessory Handle to ensure proper use and safety.
- Follow all local regulations regarding the disposal of cleaning products and materials.

## Specific Safety Precautions for Use

- Use the brushes in a wellventilated area to avoid inhaling any dust or residue.
- Avoid using excessive force while cleaning to prevent damage to the case necks.
- Do not use the brushes on hot surfaces or near open flames.
- If you experience any irritation or adverse reactions while using the brushes, discontinue use immediately and consult a medical professional.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure you have the Sinclair Accessory Handle (not included).
- Align the 832 male threads of the brush with the handle.
- Gently screw the brush into the handle until secure. Do not overtighten.

### 2. Usage:

- Hold the handle firmly and insert the brush into the case neck.
- Rotate the brush gently while moving it in and out of the case neck to remove dirt and residue.
- Clean the brush after use to maintain its effectiveness and longevity.

## Disposal Instructions

- Dispose of the brushes in accordance with local waste disposal regulations.
- Do not dispose of the brushes in regular household waste if they are contaminated with hazardous materials. Follow appropriate disposal guidelines for hazardous waste.

## Contact Information for Further Support

For questions or concerns regarding the Sinclair Case Neck Brushes, please refer to the manufacturer's contact information provided with your product packaging or visit the official Sinclair International website.

Thank you for choosing Sinclair Case Neck Brushes. We appreciate your commitment to safe and responsible product use.
