# SINCLAIR CLEANING ROD WALL BRACKET Safety Instruction Guide

## Introduction

Thank you for choosing the Sinclair Cleaning Rod Wall Bracket. This product is designed to provide a safe and convenient way to store your cleaning rods. Please read this safety instruction guide carefully to ensure safe usage and installation of the product.

## General Safety Guidelines

- Always ensure the wall bracket is securely mounted before storing any cleaning rods.
- Regularly check the bracket for wear or damage to ensure it remains safe for use.
- Keep the area around the wall bracket clear to prevent accidents.
- Store cleaning rods out of reach of children to avoid potential hazards.
- If you notice any defects or issues with the product, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Ensure the wall surface is suitable for mounting the bracket and can support the weight of the cleaning rods.
- Use appropriate tools and hardware for installation as specified in the installation instructions.
- Avoid overloading the bracket with more than six cleaning rods to prevent damage or failure.
- Do not use the wall bracket for any purpose other than intended storage of cleaning rods.
- Keep cleaning rods dry and free from any chemicals that may cause corrosion or damage.

## Instructions for Installation and Usage

### Installation Steps

1. **Select Location:** Choose a suitable location on a wall that is sturdy and free from obstructions.
2. **Gather Tools:** You will need a drill, screwdriver, level, and appropriate mounting hardware (not included).
3. **Mark Holes:** Use a level to mark where the screws will go for a straight installation.
4. **Drill Holes:** Carefully drill holes into the wall at the marked locations.
5. **Attach Bracket:** Align the bracket with the drilled holes and secure it using the screws provided.
6. **Check Stability:** Ensure the bracket is firmly attached and does not wobble.

### Usage Instructions

- Slide the cleaning rods into the designated slots of the wall bracket.
- Ensure that the rods are securely held in place and do not protrude excessively.
- Regularly inspect the bracket and rods for any signs of wear or damage.

## Disposal Instructions

When the Sinclair Cleaning Rod Wall Bracket is no longer needed or has reached the end of its life: \* Disassemble the bracket if possible and separate materials for recycling. \* Dispose of the product in accordance with local regulations regarding plastic and metal disposal. \* Do not dispose of the product in household waste unless permitted by local guidelines.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the Sinclair Cleaning Rod Wall Bracket, please refer to the contact information provided with your product purchase. Ensure you have the product details ready for assistance.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities.
