

# BULLET COMPARATOR INSERTS - BULLET COMPARATOR INSERT, 408 CALIBER (0.408")

[Reloading](#) > [Measuring Tools](#) > [Bullet Comparators](#)

The Sinclair Bullet Comparator inserts are meant to be used with the Sinclair Bullet Comparator and Bump Gage Body. These inserts are stainless steel and machined with a taper and a short straight section to more accurately duplicate the chamber throat. This eliminates the wobble experienced with many comparators which have standard drilled holes. Our design allows you to quickly and accurately measure and compare bullet ogive-to-base as well as loaded round ogive-to-cartridge-base measurements. This measurement gives more consistent results than measuring overall lengths since the meplat (the open tip of the bullet) can vary by several thousandths of an inch from bullet to bullet.

## Attributes

- Name: [BULLET COMPARATOR INSERT, 408 CALIBER \(0.408"\)](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749011510
- Mfr. No.:
- Caliber: 408 Caliber
- Delivery weight: 0.023kg
- Shipping height: 1mm
- Shipping width: 89mm
- Shipping length: 89mm

# Safety Instruction Guide for BULLET COMPARATOR INSERTS, 408 CALIBER (0.408")

## Introduction

Thank you for choosing the Sinclair Bullet Comparator Inserts for your precision shooting needs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this manual carefully before using the inserts.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to measure and compare bullet ogiveto base and loaded round ogivetocartridge base measurements.
- Always handle the Bullet Comparator Inserts with care to avoid injury or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage before use. If damaged, do not use the product.
- Follow all local regulations and laws regarding the use of firearms and ammunition.

## Specific Safety Precautions for Use

- Use the Bullet Comparator Inserts only with the compatible Sinclair Bullet Comparator and Bump Gage Body.
- Ensure that the inserts are securely attached to the comparator before taking measurements.
- Avoid using excessive force when measuring to prevent damage to the inserts or the comparator.
- Always wear appropriate eye protection when using firearms or related products.
- Be aware of your surroundings and ensure that you are in a safe environment when using the comparator and inserts.

## Instructions for Installation and Usage

### 1. Installation of Bullet Comparator Inserts:

- Remove the Bullet Comparator from its packaging.
- Select the appropriate Bullet Comparator Insert for your caliber (in this case, 408 Caliber).
- Carefully insert the Bullet Comparator Insert into the designated slot on the Sinclair Bullet Comparator.
- Ensure that the insert is securely fitted and does not wobble.

### 2. Measuring with the Bullet Comparator:

- Place the bullet or loaded round into the comparator.
- Gently press down to ensure that the bullet is in contact with the insert.
- Read the measurement displayed on the comparator.
- Record the measurement for your reference.

### 3. PostUse Care:

- After use, remove the Bullet Comparator Insert and clean it with a soft cloth to remove any debris or residue.
- Store the inserts in a safe place, away from moisture and extreme temperatures.

## **Disposal Instructions**

- Dispose of any damaged or worn Bullet Comparator Inserts in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste. Check for recycling programs in your area that accept metal products.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the Sinclair Bullet Comparator Inserts, please reach out to your local distributor or refer to the manufacturer's website for additional resources.

By following these guidelines, you can ensure the safe and effective use of your Sinclair Bullet Comparator Inserts. Thank you for prioritizing safety and precision in your shooting activities.
