

# BULLET COMPARATOR INSERTS - 44 CALIBER (0.429")

## COMPARATOR INSERT

[Reloading](#) > [Measuring Tools](#) > [Bullet Comparators](#)

The Sinclair Bullet Comparator inserts are meant to be used with the Sinclair Bullet Comparator and Bump Gage Body. These inserts are stainless steel and machined with a taper and a short straight section to more accurately duplicate the chamber throat. This eliminates the wobble experienced with many comparators which have standard drilled holes. Our design allows you to quickly and accurately measure and compare bullet ogive-to-base as well as loaded round ogive-to-cartridge-base measurements. This measurement gives more consistent results than measuring overall lengths since the meplat (the open tip of the bullet) can vary by several thousandths of an inch from bullet to bullet.

### Attributes

- Name: [44 CALIBER \(0.429"\) COMPARATOR INSERT](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749011511
- Mfr. No.: 090429
- Caliber: 44 Caliber (.429-.430)
- Delivery weight: 0.023kg
- Shipping height: 1mm
- Shipping width: 57mm
- Shipping length: 89mm

# Safety Instructions for BULLET COMPARATOR INSERTS 44 CALIBER (0.429") COMPARATOR INSERT

## Introduction

Thank you for choosing the BULLET COMPARATOR INSERTS 44 CALIBER. These precision tools are designed to enhance your reloading experience by providing accurate measurements of bullet ogiveto base and loaded round ogivetocartridge base. This safety instruction guide is designed to ensure the safe use of this product and to comply with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle the BULLET COMPARATOR INSERTS with care to prevent injury.
- Ensure that you are using the product in a well lit and stable environment.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear before use.
- If you experience any issues or have concerns about the product, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Do not use the BULLET COMPARATOR INSERTS for any purpose other than intended measurement tasks.
- Avoid applying excessive force when inserting or removing the comparator inserts to prevent damage.
- Always wear appropriate safety gear, such as safety glasses, when working with ammunition and reloading equipment.
- Ensure that the comparator inserts are properly secured in the Sinclair Bullet Comparator and Bump Gage Body before use.
- Be cautious of sharp edges on the comparator inserts and handle them with care.

## Instructions for Installation and Usage

### 1. Installation of Comparator Inserts

- Ensure that the Sinclair Bullet Comparator and Bump Gage Body are clean and free from debris.
- Select the appropriate BULLET COMPARATOR INSERT for your specific caliber (44 Caliber, .429.430).
- Gently insert the comparator insert into the designated slot of the Sinclair Bullet Comparator until it is securely in place.

### 2. Measuring Bullet OgivetoBase

- Place the bullet in the comparator insert, ensuring it is held securely.
- Align the comparator with a stable surface and take the measurement.
- Record the measurement for future reference.

### 3. Measuring Loaded Round OgivetoCartridgeBase

- Insert the loaded round into the comparator insert.
- Ensure that the round is positioned correctly for accurate measurement.
- Take the measurement and document it accordingly.

#### **4. PostUse Care**

- After use, remove the comparator inserts from the Sinclair Bullet Comparator and clean them as necessary.
- Store the comparator inserts in a safe, dry place away from moisture and extreme temperatures.

### **Disposal Instructions**

- Dispose of the BULLET COMPARATOR INSERTS responsibly and in accordance with local regulations.
- If the product is damaged or no longer usable, consider recycling the stainless steel components where applicable.

### **Contact Information for Further Support**

For any safety inquiries, concerns, or further support, please refer to the appropriate authorities or your retailer. It is essential to stay informed about product recalls and safety updates through official channels.

By following these safety instructions, you can ensure a safe and effective experience with your BULLET COMPARATOR INSERTS 44 CALIBER. Thank you for your attention to safety and for choosing our product.
