Safety Instructions

Introduction

Thank you for choosing the Sinclair Deluxe Primer Pocket Uniformer Kit. This kit is designed to help you achieve uniform primer pockets for improved ammunition performance. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always handle the uniformer kit with care to avoid injury.
- Keep the kit out of reach of children and vulnerable individuals.
- Inspect the kit for any damage or wear before use. Do not use if any parts are damaged.
- Follow all instructions provided in this guide to ensure safe operation.
- Be aware of your surroundings while using the uniformer to avoid accidents.

Specific Safety Precautions for Use

- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves while operating the uniformer.
- Ensure that the area where you are working is clean, dry, and welllit.
- Do not use the uniformer on a primer pocket that has already been modified or damaged.
- Avoid excessive force while using the uniformer to prevent damage to the tool and ensure consistent results.
- Always ensure that the uniformer is securely attached to the handle before use.

Instructions for Installation and Usage

1. Unpack the Kit

- Carefully remove the uniformer kit from the packaging.
- Ensure all components are present: uniformers for small rifle, small pistol, and large rifle primer pockets, universal handle, power adapter, and storage case.

2. Attach the Uniformer

- Select the appropriate uniformer for your primer pocket size.
- Securely attach the uniformer to the Sinclair Universal Handle by following the manufacturer's instructions.

3. Using the Uniformer

- Insert the case into the uniformer, ensuring it is properly aligned.
- Gently rotate the handle to begin cutting the primer pocket.
- Monitor the depth and ensure the bottom of the pocket is squared to the case head.
- After use, remove the case and inspect the primer pocket for uniformity.

4. Power Adapter Use

- Connect the power adapter to the uniformer if applicable.
- Ensure the power source is suitable and within the specified voltage range.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the uniformer kit or its components in general waste. Check for recycling options in your area.
