

SINCLAIR GENERATION II ALL-PURPOSE TOP - SINCLAIR INTERNATIONAL ALL-PURPOSE SHOOTING REST NON-WINDAGE REST TOP

[Shooting Accessories](#) > [Shooting Rests](#) > [Rifle Rests](#)

If you are looking for a versatile rest top that is easily adjusted for nearly any forend width (up to 3-1/2") this is the top you need. Our All-Purpose (A/P) rest top features quick adjust levers on the bag squeezing side plates to shorten the time needed to switch from rifle to rifle. The dual-sided sandbag (included - not filled) is reversible from leather to Cordura for use with wood or fiberglass/synthetic stocked rifles. The forend stop can be positioned to accommodate both fore/aft and left/right stock contact. For an upgrade to even more adjustability, it can be easily replaced with our Competition Forend Stop (#749-101-026). Includes a 1/4"-20 screw to mount to our Sinclair rest posts or any other rest post with 1/4"-20 mounting threads.

Safety Instruction Guide for SINCLAIR GENERATION II ALLPURPOSE TOP

Introduction

Thank you for choosing the SINCLAIR GENERATION II ALLPURPOSE TOP. This product is designed to provide versatility and ease of use for various rifle setups. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always ensure that the rest top is securely mounted before use.
- Inspect the product for any damage or defects before each use.
- Keep the product out of reach of children and pets when not in use.
- Be aware of your surroundings and ensure that the area is clear of obstacles and bystanders during use.
- Do not exceed the recommended weight limit for the rest top.
- Use the product only for its intended purpose as described in this manual.

Specific Safety Precautions for Use

- When adjusting the rest top, ensure that your hands are clear of any moving parts to prevent pinching or injury.
- Use caution when switching between rifles to avoid accidental discharge. Always treat every firearm as if it is loaded.
- If using the dualsided sandbag, ensure it is properly positioned and secured before use.
- Avoid using the product in wet or slippery conditions to prevent accidents.
- If you notice any unusual sounds or instability during use, discontinue use immediately and inspect the product.

Instructions for Installation and Usage

1. Installation:

- Locate the 1/4"20 screw included with the product.
- Align the rest top with your Sinclair rest posts or any other compatible rest post.
- Secure the rest top by inserting the 1/4"20 screw and tightening it until secure. Do not overtighten.

2. Adjusting the Forend Stop:

- Position the forend stop to accommodate your rifle's stock contact points.
- Adjust the dualsided sandbag as needed for optimal support.
- If necessary, replace the forend stop with the Competition Forend Stop (#749101026) for enhanced adjustability.

3. Using the Rest Top:

- Place your rifle securely on the rest top.
- Adjust the quick adjust levers on the bag squeezing side plates for the desired forend width.
- Ensure that the rifle is stable and secure before proceeding with any shooting activities.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is no longer usable, consider recycling components where possible.
- Do not dispose of the product in household waste. Check for designated disposal sites for nonfood products.

Contact Information for Further Support

For any inquiries or concerns regarding the safety of this product, please contact your local authorized dealer or manufacturer representative.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your SINCLAIR GENERATION II ALLPURPOSE TOP. Always prioritize safety and adhere to the guidelines provided in this manual. Thank you for your attention to these important safety measures.
