

LARGE CALIBER NECK TURNING KIT (7/8"-14 THREADS) - SINCLAIR INTERNATIONAL LARGE CALIBER NECK TURNING KIT, 35 CALIBER, 7/8"-14

[Reloading](#) > [Case Preparation](#) > [Neck Turning](#) > [Neck Turning Tools](#)

Our NT-5000 Large Caliber Neck Turning Tool comes complete with our stainless steel universal handle, cutter, and allen wrenches. The neck turner cutter is made from hand-stoned high-speed tool steel and will cut thousands of cases before needing replacement. Each tool requires the use of our Sinclair mandrels. The NT-5000 Neck Turning Kits include the NT-5000 Neck Turner, our Generation II Expander Die (05-3300), a Neck Turning mandrel and an Expander Mandrel. Both included mandrels are turned from high grade stainless steel on precision turning centers. The Expander mandrel is sized .001 under bullet diameter and the Turning mandrels are .002 below bullet diameter. This allows for the perfect fit to avoid galling the inside of your cases during the turning process. For additional technical information regarding neck turning, please feel free to call our 800 number and speak to any of our reloading technicians.

LARGE CALIBER NECK TURNING KIT Safety Instructions

Introduction

Thank you for choosing the LARGE CALIBER NECK TURNING KIT (7/8"14 THREADS) from SINCLAIR INTERNATIONAL. This product is designed for precision neck turning of large caliber cartridges, specifically for .35 caliber (.358) ammunition. It is essential to follow the safety guidelines outlined in this manual to ensure safe and effective use of the kit.

General Safety Guidelines

- Always read and understand the user manual before using the product.
- Ensure that the work area is clean, welllit, and free from distractions.
- Keep the product out of reach of children and unauthorized users.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling tools and materials.
- Do not use the product for any purpose other than its intended use.
- Regularly inspect the kit for any signs of wear or damage before use.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the neck turning kit is securely attached to a stable work surface before use.
- Do not exceed the recommended operating speeds and settings as specified in the instructions.
- Handle all components with care to avoid injury.
- Be cautious of sharp edges and moving parts during operation.
- Store the kit in a dry, cool place when not in use to prevent deterioration.

Instructions for Installation and Usage

Installation

1. **Preparation:** Gather all necessary tools and materials. Ensure you have a clean workspace.
2. **Assemble the Kit:**
 - Attach the neck turning tool to the appropriate lathe or power tool.
 - Ensure that all components are securely fastened and aligned.
3. **Check Alignment:** Verify that the tool is correctly aligned with the workpiece to avoid accidents.

Usage

1. **Set Up:**
 - Adjust the settings on your lathe or power tool according to the manufacturer's specifications.
 - Insert the cartridge case into the neck turning tool.
2. **Operation:**
 - Start the lathe or power tool at a low speed to ensure stability.
 - Gradually increase speed as necessary, monitoring the operation closely.
 - Turn the neck of the cartridge case evenly and consistently.
3. **Completion:**
 - Once the desired neck thickness is achieved, stop the tool.
 - Carefully remove the cartridge case from the tool.
 - Inspect the case for any defects or issues.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Recycle materials when possible, following your local recycling guidelines.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety, product usage, or to report any incidents, please reach out to your local distributor or manufacturer's representative.

By adhering to these safety guidelines, you can ensure a safe and efficient experience while using the LARGE CALIBER NECK TURNING KIT. Always prioritize safety and do not hesitate to seek assistance if needed.
