

# **LARGE CALIBER NECK TURNING KIT (7/8"-14 THREADS) - SINCLAIR INTERNATIONAL LARGE CALIBER NECK TURNING KIT, 9.3MM, 7/8"-14**

[Reloading](#) > [Case Preparation](#) > [Neck Turning](#) > [Neck Turning Tools](#)

Our NT-5000 Large Caliber Neck Turning Tool comes complete with our stainless steel universal handle, cutter, and allen wrenches. The neck turner cutter is made from hand-stoned high-speed tool steel and will cut thousands of cases before needing replacement. Each tool requires the use of our Sinclair mandrels. The NT-5000 Neck Turning Kits include the NT-5000 Neck Turner, our Generation II Expander Die (05-3300), a Neck Turning mandrel and an Expander Mandrel. Both included mandrels are turned from high grade stainless steel on precision turning centers. The Expander mandrel is sized .001 under bullet diameter and the Turning mandrels are .002 below bullet diameter. This allows for the perfect fit to avoid galling the inside of your cases during the turning process. For additional technical information regarding neck turning, please feel free to call our 800 number and speak to any of our reloading technicians.

Large Caliber Neck Turning Kit w/ Expander, 9.3mm cal

## **Attributes**

# LARGE CALIBER NECK TURNING KIT Safety Instruction Guide

## Introduction

Thank you for choosing the LARGE CALIBER NECK TURNING KIT (7/8"14 THREADS) from SINCLAIR INTERNATIONAL. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide carefully before using the kit to avoid any potential hazards.

## General Safety Guidelines

- Ensure that you have read and understood all instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the kit.
- Inspect the kit for any damage or wear before each use. Do not use if damaged.
- Store the kit in a dry, cool place away from direct sunlight and moisture.
- Be aware of your surroundings and ensure that the area is clear of distractions when using the kit.

## Specific Safety Precautions for Use

- Avoid using the kit near flammable materials or in explosive environments.
- Do not exceed the recommended specifications for the product, including caliber size and threading.
- Ensure that all components are securely attached before operation.
- Use the kit only for its intended purpose as described in this guide.
- If you experience any discomfort or adverse reactions while using the kit, stop immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials.
- Ensure that your workspace is clean and organized.

### 2. Installation:

- Attach the expander to the neck turning tool following the manufacturer's guidelines.
- Ensure that the tool is securely fastened and all components are aligned properly.

### 3. Usage:

- Position the neck turning tool over the case to be turned.
- Turn the handle slowly and steadily to ensure an even cut.
- Monitor the process closely and stop if you notice any irregularities.
- After use, clean the tool with a soft cloth to remove any debris or residue.

### 4. PostUsage:

- Inspect the tool for any damage or wear after each use.
- Store the tool in its protective case to prevent damage.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the product is no longer usable, follow local guidelines for the disposal of tools and equipment.
- Do not dispose of the product in household waste. Check with local authorities for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the LARGE CALIBER NECK TURNING KIT, please refer to the manufacturer's contact information provided with your product purchase.

## Conclusion

Your safety is our priority. By following these safety instructions, you can ensure a safe and effective experience with the LARGE CALIBER NECK TURNING KIT. Always stay informed about product recalls and safety updates through the EU's Safety Gate platform. Thank you for your attention to these important safety guidelines.
