

LARGE CALIBER NECK TURNING KIT (1-1/2"-12 THREADS) - SINCLAIR INTERNATIONAL LARGE CALIBER NECK TURNING KIT, 408 CALIBER, 1/2"-12

[Reloading](#) > [Case Preparation](#) > [Neck Turning](#) > [Neck Turning Tools](#)

Our NT-6000 Large Caliber Neck Turning Tool comes complete with our stainless steel universal handle, cutter, and allen wrenches. The neck turner cutter is made from hand-stoned high-speed tool steel and will cut thousands of cases before needing replacement. Each tool requires the use of our Sinclair mandrels. The NT-6000 Neck Turning Kits include the NT-6000 Neck Turner, our Generation II Expander Die (05-3500), a Neck Turning mandrel and an Expander Mandrel. Both included mandrels are turned from high grade stainless steel on precision turning centers. The Expander mandrel is sized .001 under bullet diameter and the Turning mandrels are .002 below bullet diameter. This allows for the perfect fit to avoid galling the inside of your cases during the turning process. For additional technical information regarding neck turning, please feel free to call our 800 number and speak to any of our reloading technicians.

Large Caliber Neck Turning Kit w/ Expander, 40 cal

LARGE CALIBER NECK TURNING KIT Safety Instruction Guide

Introduction

Thank you for choosing the LARGE CALIBER NECK TURNING KIT (11/2"12 THREADS) from SINCLAIR INTERNATIONAL. This guide provides essential safety information and instructions to ensure the safe use of this product. Please read this guide carefully before using the kit to understand how to operate it safely and effectively.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and unauthorized users.
- Inspect the kit for any damage before use. Do not use if damaged.
- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, during use.
- Ensure your working area is clean, welllit, and free from hazards.
- Do not exceed the specified caliber limits when using the kit.
- Be aware of your surroundings and ensure that bystanders are at a safe distance during operation.

Specific Safety Precautions for Use

- Ensure that the expander is properly installed before use.
- Do not attempt to modify or alter the kit in any way.
- Use only compatible components with the neck turning kit.
- Avoid wearing loose clothing or jewelry that may become entangled in the kit during operation.
- Do not operate the kit under the influence of drugs or alcohol.
- Follow all local regulations regarding the use and disposal of firearms and ammunitionrelated products.

Instructions for Installation and Usage

1. Unpacking the Kit

- Carefully remove the kit from its packaging.
- Ensure all components are included: neck turning tool, expander, and any additional accessories.

2. Setting Up the Kit

- Place the neck turning kit on a stable, flat surface.
- Attach the expander securely according to the manufacturer's instructions.

3. Using the Kit

- Select the appropriate caliber setting (40 cal or 10 mm).
- Insert the case into the neck turning tool.
- Turn the handle slowly and steadily to begin the neck turning process.
- Monitor the operation closely to ensure safe and effective use.

4. PostUse Care

- After use, clean the kit thoroughly to remove any debris or residue.
- Store the kit in a dry, secure location, away from children and pets.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the kit or its components in regular household waste.
- Check with local waste management services for proper disposal methods for firearmsrelated products.

Contact Information for Further Support

For any inquiries regarding safety or product support, please contact the manufacturer directly. Ensure you have your product details and any relevant information ready for a more efficient response.

By following these safety instructions, you can ensure a safe and effective experience with your LARGE CALIBER NECK TURNING KIT. Always prioritize safety and do not hesitate to seek assistance if unsure about any aspect of the product. Thank you for your attention and safe usage.
