

# SINCLAIR LUBE RACK - CASE HEAD LUBE RACK, 0.332" DIAMETER, 36 ROUND

[Reloading](#) > [Case Preparation](#) > [Case Lube](#)

This rack is designed to allow complete and uniform lubrication of cases with a spray type case lube prior to resizing. Offset design allows application of spray from both sides of the rack producing full coverage. The rack is made of white polyethylene and can be cleaned easily with hot, soapy water. Capacities vary by rounds. Great when using spray-on case lubes.

# SINCLAIR LUBE RACK CASE HEAD LUBE RACK

## Safety Instruction Guide

### Introduction

Thank you for choosing the SINCLAIR LUBE RACK CASE HEAD LUBE RACK. This product is designed to provide complete and uniform lubrication of cases prior to resizing, ensuring optimal performance and safety during use. Please read this safety instruction guide carefully to ensure the safe and effective use of the product.

### General Safety Guidelines

- Always use the product in accordance with the manufacturer's recommendations.
- Ensure that the product is used in a wellventilated area to avoid inhalation of spray lube.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of damage or wear on the product before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- **Hazard Identification:**

- The product is intended for use with spraytype case lubes. Ensure that the lube used is compatible with the materials of the rack.
- Avoid contact with skin and eyes. In case of contact, rinse thoroughly with water.
- Do not ingest any part of the product or the lubricants used with it.

- **Instructions for Avoiding Hazards:**

- Use only in dry conditions to prevent slippage or accidents.
- Ensure that the rack is placed on a stable surface to avoid tipping.
- Do not overload the rack beyond its specified capacity.

- **AgeSpecific Warnings:**

- This product is not intended for use by children. Adult supervision is required when using the product.

### Instructions for Installation and Usage

1. **Setting Up the Rack:**

- Place the SINCLAIR LUBE RACK on a flat, stable surface.
- Ensure that the rack is clean and free of any debris before use.

2. **Applying Case Lube:**

- Use a spraytype case lube that is compatible with the materials of the rack.
- Hold the spray can approximately 612 inches away from the rack.
- Spray evenly on both sides of the rack to ensure full coverage.

3. **Loading Cases:**

- Load the cases into the designated slots in the rack.
- Ensure that cases are positioned correctly and not overcrowded.

#### **4. Cleaning the Rack:**

- After use, clean the rack with hot, soapy water.
- Rinse thoroughly and allow it to dry completely before storing.

#### **5. Storage:**

- Store the rack in a cool, dry place away from direct sunlight.
- Ensure that it is out of reach of children and pets.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- If the rack is damaged or no longer usable, consider recycling the polyethylene material if available in your area.
- Do not dispose of the product in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the SINCLAIR LUBE RACK, please refer to the manufacturer's customer service resources or visit their official website for more information.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
