

# SINCLAIR LUBE RACK - 0.350" CASE HEAD LUBE RACK

[Reloading](#) > [Case Preparation](#) > [Case Lube](#)

This rack is designed to allow complete and uniform lubrication of cases with a spray type case lube prior to resizing. Offset design allows application of spray from both sides of the rack producing full coverage. The rack is made of white polyethylene and can be cleaned easily with hot, soapy water. Capacities vary by rounds. Great when using spray-on case lubes.

# SINCLAIR LUBE RACK Safety Instruction Guide

## Introduction

Thank you for choosing the SINCLAIR LUBE RACK 0.350" CASE HEAD LUBE RACK. This product is designed to facilitate the lubrication of cases prior to resizing, ensuring a smooth and efficient reloading process. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the SINCLAIR LUBE RACK is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Always inspect the product for damage before use. Do not use if damaged.
- Follow all local regulations regarding the use and disposal of lubricants and cleaning agents.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use the rack in a wellventilated area to avoid inhalation of fumes from the case lube.
- Wear protective gloves and eyewear when applying spray lubricants to avoid skin and eye contact.
- Avoid spraying lubricants near open flames or high heat sources.
- Do not overload the rack beyond its designed capacity to prevent tipping or spillage.
- Clean the rack promptly after use to prevent buildup of lubricant, which can cause slips and falls.

## Instructions for Installation and Usage

### 1. Setup:

- Place the SINCLAIR LUBE RACK on a stable, flat surface.
- Ensure that the rack is positioned away from edges to prevent accidental falls.

### 2. Lubrication Process:

- Shake the spray lubricant canister well before use.
- Hold the canister upright and spray evenly across the cases positioned in the rack.
- Ensure that all cases receive uniform coverage for effective lubrication.

### 3. Cleaning:

- After use, clean the rack with hot, soapy water to remove any residual lubricant.
- Rinse thoroughly with clean water and allow to air dry completely before storage.

### 4. Storage:

- Store the SINCLAIR LUBE RACK in a cool, dry place away from direct sunlight.
- Ensure that the product is stored out of reach of children and pets.

## Disposal Instructions

- Dispose of any used lubricants according to local regulations. Do not pour down drains or dispose of in regular household waste.
- The SINCLAIR LUBE RACK is made of polyethylene and can typically be recycled. Check local recycling guidelines for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please refer to the contact information provided with your product. Ensure you have the product details ready for a more efficient response.

By following these safety instructions, you can ensure a safe and effective experience with the SINCLAIR LUBE RACK. Thank you for your attention to safety and proper usage.
