

SINCLAIR LUBE RACK - 0.473" CASE HEAD 25 CASE LUBE RACK

[Reloading](#) > [Case Preparation](#) > [Case Lube](#)

This rack is designed to allow complete and uniform lubrication of cases with a spray type case lube prior to resizing. Offset design allows application of spray from both sides of the rack producing full coverage. The rack is made of white polyethylene and can be cleaned easily with hot, soapy water. Capacities vary by rounds. Great when using spray-on case lubes.

SINCLAIR LUBE RACK Safety Instructions

Introduction

Thank you for choosing the SINCLAIR LUBE RACK. This product is designed to facilitate the uniform lubrication of cases prior to resizing, ensuring optimal performance. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure safe use of the SINCLAIR LUBE RACK by following all instructions provided.
- Always inspect the product for any signs of damage before use.
- Keep the product out of reach of children to prevent accidents.
- Use only as intended; do not modify the product in any way.
- Be aware of potential hazards associated with case lubes and sprays.

Specific Safety Precautions for Use

- Use the rack in a wellventilated area to avoid inhalation of any fumes from the case lube.
- Avoid contact with skin and eyes. If contact occurs, rinse immediately with plenty of water.
- Do not ingest the case lube or any cleaning agents used on the rack.
- Store the rack in a cool, dry place away from direct sunlight and heat sources.
- Clean the rack thoroughly after each use to prevent contamination.

Instructions for Installation and Usage

1. Setup:

- Place the SINCLAIR LUBE RACK on a flat, stable surface.
- Ensure that the rack is clean and dry before use.

2. Lubrication:

- Load the cases into the rack, ensuring they are positioned securely.
- Use a spray type case lube and apply it evenly across the cases from both sides of the rack.
- Allow the cases to sit for a few moments to ensure complete coverage.

3. Cleaning:

- After use, clean the rack with hot, soapy water.
- Rinse thoroughly and dry before storing.

4. Storage:

- Store the rack in a safe location where it will not be damaged.

Disposal Instructions

- Dispose of any unused case lube according to local regulations.
- The SINCLAIR LUBE RACK is made of polyethylene and can typically be recycled. Check with local recycling facilities for specific guidelines.

Contact Information for Further Support

For any safety inquiries or concerns regarding the SINCLAIR LUBE RACK, please consult your local retailer or manufacturer. They can provide additional information and support as needed.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with the SINCLAIR LUBE RACK. Always prioritize safety and report any unsafe conditions to the appropriate authorities. Thank you for your attention to these important guidelines.
