

SINCLAIR LUBE RACK - SINCLAIR INTERNATIONAL 0.514" CASE HEAD 25 CASE LUBE RACK

[Reloading](#) > [Case Preparation](#) > [Case Lube](#)

This rack is designed to allow complete and uniform lubrication of cases with a spray type case lube prior to resizing. Offset design allows application of spray from both sides of the rack producing full coverage. The rack is made of white polyethylene and can be cleaned easily with hot, soapy water. Capacities vary by rounds. Great when using spray-on case lubes.

SINCLAIR LUBE RACK Safety Instructions

Introduction

Thank you for choosing the SINCLAIR LUBE RACK. This product is designed to facilitate the lubrication of cases prior to resizing, ensuring complete and uniform coverage. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always use the SINCLAIR LUBE RACK in accordance with the instructions provided.
- Ensure that the work area is clean and free from any obstructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage to the lube rack. Do not use if damaged.
- Follow all local regulations regarding the disposal of materials used with this product.

Specific Safety Precautions for Use

- Use only spraytype case lubes that are compatible with the materials used in the SINCLAIR LUBE RACK.
- Avoid inhaling fumes from the spray lubricant. Use in a wellventilated area.
- Wear appropriate personal protective equipment (PPE), such as gloves and eye protection, when using spray lubricants.
- Do not use the rack for any purpose other than intended. It is specifically designed for case lubrication.
- Be cautious of slippery surfaces when using lubricants, as they may cause slips or falls.

Instructions for Installation and Usage

1. **Setup:** Place the SINCLAIR LUBE RACK on a stable and flat surface.
2. **Loading Cases:**
 - Insert cases into the rack, ensuring they are positioned securely.
 - Do not overload the rack beyond its capacity.
3. **Applying Lubricant:**
 - Use a spraytype case lube for application.
 - Hold the spray can at an appropriate distance from the rack to ensure even coverage.
 - Spray the lubricant from both sides of the rack for full coverage.
4. **PostUse:**
 - Once lubrication is complete, remove the cases from the rack.
 - Clean the rack with hot, soapy water to remove any residue. Rinse thoroughly and dry.
5. **Storage:** Store the SINCLAIR LUBE RACK in a cool, dry place when not in use.

Disposal Instructions

- Dispose of any leftover lubricant and packaging in accordance with local regulations.
- Ensure that the SINCLAIR LUBE RACK is cleaned before disposal.
- If the product is no longer usable, recycle it if possible, or dispose of it in accordance with local waste management guidelines.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the manufacturer's website or contact their customer service. Ensure you have the product details and any relevant information ready for a prompt response.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy

using the SINCLAIR LUBE RACK.
