# NT1500 Deluxe Neck Turning Tool Kit Safety Instructions

## Introduction

Thank you for choosing the NT1500 Deluxe Neck Turning Tool Kit. This guide provides essential safety instructions to ensure the safe and effective use of your neck turning tools. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the tool kit out of reach of children and pets.
- Always wear appropriate safety gear, including eye protection, when using the tools.
- Inspect tools before use to ensure they are in good condition and functioning correctly.
- Do not use tools that are damaged or defective.
- Follow all instructions provided in this manual for safe operation.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Caliber Safety:** This kit is designed for use with 6.5mm/.264 caliber ammunition. Ensure that you are using the correct caliber to prevent accidents.
- **Tool Handling:** Always handle tools with care. Avoid any actions that could lead to injury, such as using excessive force or improper grip.
- **Work Area:** Use the tool kit in a welllit and clean area, free from distractions and hazards.
- **Storage:** Store the tool kit in its designated case when not in use to protect it from damage and to prevent accidental injury.
- **Chemical Safety:** If using any lubricants or cleaning agents, ensure they are safe for use with your tools and follow the manufacturer's safety instructions.

## Instructions for Installation and Usage

### 1. Setup:

- Open the storage case and lay out all components: NT1500 Neck Turning Tool, Generation II Expander Die, Neck Turning Mandrel, Expander Mandrel, and Sinclair Storage Case.
- Ensure that all parts are present and undamaged.

### 2. Using the Neck Turning Tool:

- Insert the Neck Turning Mandrel into the NT1500 Neck Turning Tool.
- Secure the mandrel by tightening the adjustment screw.
- Place the cartridge case onto the mandrel and ensure it is seated properly.
- Turn the handle of the tool slowly and steadily to perform neck turning.
- Check the neck thickness frequently to ensure desired results.

### 3. Using the Expander Die:

- Attach the Generation II Expander Die to your reloading press according to the manufacturer's instructions.
- Ensure the die is properly adjusted for your specific caliber.

- Insert the cartridge case and operate the press to expand the neck as required.

#### **4. PostUse Care:**

- After use, clean the tools and components to remove any debris or residue.
- Store the tools in the Sinclair Storage Case to maintain organization and prevent damage.

## **Disposal Instructions**

- Dispose of any damaged or wornout components in accordance with local regulations.
- Do not dispose of tools in regular household waste. Check for specific recycling programs in your area.
- Ensure that all materials are disposed of safely to protect the environment.

## **Contact Information for Further Support**

For any questions or concerns regarding the NT1500 Deluxe Neck Turning Tool Kit, please refer to the product packaging for contact information or consult the manufacturer's website for further support.

By following these safety instructions, you can ensure a safe and effective experience with your NT1500 Deluxe Neck Turning Tool Kit. Thank you for your attention to safety!
