# NT1500 Deluxe Neck Turning Kit Safety Instructions

## Introduction

Thank you for choosing the NT1500 Deluxe Neck Turning Kit. This product is designed to assist you in the precision task of neck turning for 22 caliber cartridges. To ensure safe and effective use of this tool, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the NT1500 Neck Turning Kit in accordance with the manufacturer's instructions.
- Keep the kit out of reach of children and vulnerable individuals.
- Inspect all tools before use to ensure they are in good working condition.
- Use personal protective equipment (PPE) such as safety glasses and gloves when operating the kit.
- Be aware of your surroundings and ensure you have a clean and organized workspace.
- Do not use the kit for any purpose other than intended neck turning operations.
- Report any accidents or unsafe conditions to the relevant authorities.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Sharp edges: The neck turning tool and mandrels have sharp components that can cause cuts.
- Small parts: The kit contains small components that may pose a choking hazard.
- Metal shavings: Neck turning can produce metal shavings that may cause eye injury.

- **Avoiding Hazards:**

- Handle all tools with care and store them safely when not in use.
- Always wear safety glasses to protect your eyes from metal shavings.
- Use gloves to protect your hands from sharp edges.
- Keep small parts away from children and pets.

## Instructions for Installation and Usage

### 1. Setting Up the Kit:

- Carefully unpack the NT1500 Deluxe Neck Turning Kit.
- Identify all components: NT1500 Neck Turning Tool, Generation II Expander Die, Neck Turning Mandrel, and Expander Mandrel.
- Ensure you have a suitable workspace that is clean and free from distractions.

### 2. Using the Neck Turning Tool:

- Attach the Neck Turning Mandrel securely to the Neck Turning Tool.
- Adjust the tool to the desired depth of cut as per your preference.
- Insert the cartridge case into the tool and ensure it is held firmly in place.
- Rotate the tool slowly and steadily to achieve uniform neck turning.

### 3. Using the Expander Die:

- Install the Expander Die as per the manufacturer's instructions.

- Ensure it is properly aligned with your reloading press.
- Follow the recommended procedures for expanding the neck of the cartridge.

#### **4. Cleaning and Maintenance:**

- After use, clean the tools to remove any metal shavings or debris.
- Store the kit in a dry place, preferably in the Sinclair Storage Case (8015XX) for protection.

## **Disposal Instructions**

- Dispose of any defective or damaged tools in accordance with local regulations.
- Recycle packaging materials where possible.
- Do not dispose of tools or components in regular household waste if they pose a safety hazard.

## **Contact Information for Further Support**

For any safety inquiries or further support, please reach out to your local distributor or refer to the manufacturer's website for assistance. Always ensure that you have the most current information regarding safety recalls or product updates.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using the NT1500 Deluxe Neck Turning Kit.
