# NT1500 Deluxe Neck Turning Kit Safety Instruction Guide

## Introduction

Thank you for choosing the NT1500 Deluxe Neck Turning Kit. This kit is designed to provide you with the essential tools for successful neck turning. To ensure safe usage and compliance with European safety regulations, please read this safety instruction guide thoroughly before using the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the kit out of reach of children and vulnerable individuals.
- Always inspect tools before use for any signs of damage or wear.
- Use personal protective equipment (PPE) such as safety glasses and gloves when operating the tools.
- Follow all manufacturer instructions carefully to avoid accidents.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Neck Turning Tool:**
  - Always ensure the tool is securely attached to the mandrel before use.
  - Do not exceed the recommended RPM when using the tool.
  - Avoid wearing loose clothing or jewelry that could become caught in moving parts.
- **Expander Die:**
  - Use the expander die only with compatible calibers.
  - Ensure that the die is properly adjusted before use to prevent misalignment.
- **Neck Turning Mandrel:**
  - Always check the mandrel for damage before use.
  - Use the mandrel only with the correct neck turning tool to prevent accidents.
- **Expander Mandrel:**
  - Ensure the expander mandrel is clean and free from debris to maintain proper function.
  - Do not force the expander mandrel into the neck; it should fit snugly without excessive pressure.

## Instructions for Installation and Usage

### 1. Unboxing the Kit:

- Carefully remove all components from the packaging.
- Inspect each tool for any visible damage.

### 2. Setup:

- Attach the neck turning tool to the neck turning mandrel securely.
- Adjust the expander die to the appropriate setting for your caliber.

### **3. Usage:**

- Place the neck turning mandrel into the neck turning tool.
- Turn on the tool and begin the neck turning process, ensuring a steady and controlled motion.
- Regularly check the progress and make adjustments as necessary.

### **4. PostUse Care:**

- Clean all tools after use to prevent residue buildup.
- Store the kit in a dry and safe location, preferably in the Sinclair Storage Case if purchased.

## **Disposal Instructions**

- Dispose of packaging materials responsibly by recycling where possible.
- For any damaged tools, follow local regulations for disposal of metal and plastic materials.
- Do not dispose of tools in regular household waste. Instead, contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the NT1500 Deluxe Neck Turning Kit, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for prioritizing safety and compliance while using the NT1500 Deluxe Neck Turning Kit. Enjoy your experience with our product!
