[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Accessories](#)

For handloaders who already own a Wilson Case Trimmer, the Sinclair Trimmer stands are an invaluable accessory for the Wilson Case Trimmer. The Sinclair Stand positions the trimmer at a comfortable height on the workbench and can be simply c-clamped to the work- bench top or bolted for permanent installation. The standard model (#05-490) requires the case holder to be held in place by hand while the deluxe model (#05-495) features a clamping fixture that the user swings into place to hold down the case holder. Both of these can be purchased with the trimmer at the time of purchase in our kits or as part of the Ultimate Case Trimmer.
