

# ASP 10MM (0.400") JHP PISTOL BULLETS - ASP 10MM (0.400") JACKETED HOLLOW POINT 135GR 250/BOX

[Reloading](#) > [Bullets](#) > [Pistol Bullets](#)

ASSURED STOPPING POWER™ 10MM (0.400") JACKETED HOLLOW POINT PISTOL BULLETS Whether you punch paper, shoot steel or use your handgun for hunting, Nosler ensures you have the very finest in accuracy, consistency and overall quality. Our Assured Stopping Power™ bullets are designed with a skived copper-alloy jacket and hollow point for rapid and consistent expansion. The bullet's pure lead core is encased in the copper-alloy jacket for maximum bullet stability and balance while further enhancing accuracy. Like their premium rifle bullets, Nosler hand-inspects all ASP bullets for quality assurance and then polishes them to a bright finish.

# Safety Instruction Guide for ASP 10MM (0.400") Jacketed Hollow Point Pistol Bullets

## Introduction

Thank you for choosing Nosler ASP 10MM (0.400") Jacketed Hollow Point Pistol Bullets. This guide is designed to provide you with essential safety information and instructions to ensure safe and effective use of this product. Please read this guide carefully before using the bullets.

## General Safety Guidelines

- Always treat all firearms and ammunition as if they are loaded and capable of firing.
- Use only in firearms that are specifically designed for 10MM (0.400") ammunition.
- Store bullets and ammunition in a cool, dry place away from children and unauthorized users.
- Follow all local, state, and federal laws regarding the use and storage of ammunition.
- Inspect bullets and packaging for any signs of damage or defect before use.
- In case of any safety concerns, report unsafe products and accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that you are wearing appropriate safety gear, including eye and ear protection, when handling or firing ammunition.
- Never point a firearm at anything you do not intend to shoot.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not use damaged or deformed bullets, as they may cause firearm malfunction or injury.
- Always follow the manufacturer's instructions for your specific firearm when loading and firing ammunition.

## Instructions for Installation and Usage

### 1. Loading the Bullets:

- Open the box of Nosler ASP 10MM bullets carefully.
- Inspect each bullet for any visible defects.
- Load the bullets into your firearm's magazine according to the manufacturer's guidelines.

### 2. Firing the Bullets:

- Ensure that the firearm is pointed in a safe direction.
- Check that the firearm is in proper working order before firing.
- Load the magazine into the firearm and chamber a round.
- Follow proper shooting techniques and maintain control of the firearm while firing.

### 3. PostFiring:

- Always unload your firearm immediately after use.
- Store any remaining bullets in their original packaging in a secure location.

## Disposal Instructions

- Dispose of used or defective bullets in accordance with local regulations.
- Do not throw bullets in regular trash. Contact local waste management authorities for proper disposal.

methods.

- Ensure that any spent casings are also disposed of properly to prevent environmental contamination.

## **Contact Information for Further Support**

For any questions or concerns regarding the ASP 10MM (0.400") bullets, please refer to the manufacturer's website or contact their customer support.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Nosler ASP 10MM (0.400") Jacketed Hollow Point Pistol Bullets. Thank you for prioritizing safety in your shooting activities.
