

# ASP 10MM (0.400") JHP PISTOL BULLETS - ASP 10MM (0.400") JACKETED HOLLOW POINT 200GR 250/BOX

[Reloading](#) > [Bullets](#) > [Pistol Bullets](#)

ASSURED STOPPING POWER™ 10MM (0.400") JACKETED HOLLOW POINT PISTOL BULLETS Whether you punch paper, shoot steel or use your handgun for hunting, Nosler ensures you have the very finest in accuracy, consistency and overall quality. Our Assured Stopping Power™ bullets are designed with a skived copper-alloy jacket and hollow point for rapid and consistent expansion. The bullet's pure lead core is encased in the copper-alloy jacket for maximum bullet stability and balance while further enhancing accuracy. Like their premium rifle bullets, Nosler hand-inspects all ASP bullets for quality assurance and then polishes them to a bright finish.

# Safety Instruction Guide for ASP 10MM (0.400") Jacketed Hollow Point Pistol Bullets

## Introduction

Thank you for choosing the ASP 10MM (0.400") Jacketed Hollow Point Pistol Bullets by Nosler. This guide provides essential safety instructions to ensure the safe use, handling, and disposal of this product. Please read this guide thoroughly before using the bullets.

## General Safety Guidelines

- **Product Safety:** Ensure the safe use of all nonfood products, including ammunition.
- **Enhanced Recalls:** Be aware of standardized recall notices and remedies for dangerous products.
- **Online Shopping:** Understand that online purchases have the same safety protections as physical store purchases.
- **Special Consumer Focus:** Extra safeguards are in place for vulnerable groups, including children.
- **EU Contact Point:** For safety inquiries, contact the designated EU-based support.
- **Rapid Alerts:** Stay informed about unsafe products through the Safety Gate system.

## Specific Safety Precautions for Use

- Always store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized persons.
- Inspect the bullets for any signs of damage before use. Do not use damaged bullets.
- Use only firearms that are specifically designed for the 10MM caliber.
- Follow the manufacturer's recommendations for your firearm regarding ammunition specifications.
- Wear appropriate eye and ear protection when firing.
- Do not attempt to modify or alter the bullets in any way.
- Do not mix different types or brands of ammunition.
- Be aware of your surroundings and ensure a safe shooting environment.
- Always follow local laws and regulations regarding the use and storage of ammunition.

## Instructions for Installation and Usage

- **Installation:**
  - Ensure your firearm is unloaded before handling ammunition.
  - Load the bullets into the magazine as per the firearm's manual.
- **Usage:**
  - Always point the firearm in a safe direction when loading or unloading.
  - Keep your finger off the trigger until you are ready to shoot.
  - Take aim at your target and ensure the area behind the target is clear.
  - Fire only when you are sure of your target and what lies beyond it.
  - After shooting, safely store your firearm and ammunition in a secure location.

## Disposal Instructions

- Dispose of any unused or damaged ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash.
- Contact local authorities or waste management services for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the ASP 10MM (0.400") Jacketed Hollow Point Pistol Bullets, please refer to your retailer or the manufacturer's support resources. They can provide additional information and assistance as needed.

Please ensure you keep this safety instruction guide for future reference. Your safety and the safety of others depend on your adherence to these guidelines. Thank you for your attention and for choosing Nosler products.
