# Safety Instruction Guide for 10MM AUTO BRASS

## Introduction

Thank you for choosing Starline Brass 10MM Auto Brass. This guide provides essential safety instructions to ensure the safe use and handling of this product. Please read all sections carefully to understand how to use the brass safely and responsibly.

## General Safety Guidelines

- Always store the brass in a cool, dry place away from direct sunlight and moisture.
- Keep the brass out of reach of children and unauthorized users.
- Inspect the brass before use for any signs of damage or defects.
- Use the brass only with compatible firearms as specified by the manufacturer.
- Follow all local laws and regulations regarding the use and handling of ammunition components.

## Specific Safety Precautions for Use

- Ensure you are trained and knowledgeable about the safe operation of firearms before using this product.
- Always wear appropriate safety gear, including eye and ear protection, when handling or using firearms.
- Never point a firearm at anything you do not intend to shoot.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not use damaged or deformed brass, as this may lead to malfunctions or accidents.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary materials, including the brass, reloading equipment, and safety gear.
- Ensure your workspace is clean and organized to prevent accidents.

### 2. Reloading Process:

- Follow the manufacturer's instructions for your reloading equipment.
- Carefully insert the brass into the reloading press, ensuring it is seated correctly.
- Add the appropriate powder charge and bullet as specified for 10MM Auto cartridges.
- Crimp the case mouth as needed to secure the bullet in place.

### 3. Final Inspection:

- After reloading, inspect each cartridge for proper assembly and any signs of defects.
- Store the finished cartridges in a safe and secure location, clearly labeled and organized.

## Disposal Instructions

- Dispose of any unused or damaged brass in accordance with local regulations.
- Do not discard brass in regular trash; consider recycling options available in your area.
- Follow safety guidelines when handling spent brass to avoid injury.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the 10MM Auto Brass, please refer to the EU contact point or local authorities for assistance. Always stay informed about potential recalls or safety updates through the EU's Safety Gate platform.

Thank you for your attention to these safety guidelines. Your safety is our top priority. Enjoy your shooting experience responsibly!
