

A-FRAME BONDED BULLETS - SWIFT BULLET 270 CALIBER (0.277") 150GR SEMI-SPITZER 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

For 25 years A-Frame® rifle bullets have set the standard by which all bonded bullets are measured. With its controlled expansion of 2.2x and 95%+ weight retention A-Frame® penetrates deep and mushrooms perfectly, making it the choice of hunters for use on any game, anywhere in the world. Semi-spitzer nose profile to withstand recoil impact in magazine without deforming. Progressively tapered jacket controls rate of expansion over wide range of velocities. Pure lead core bonded jacket with Swift proprietary process A-Frame Cross member positioned to optimize expansion diameter for each caliber. Jacket formed from pure copper, not alloys. Protected rear core provides momentum for deep penetration. Thick jacket locks in rear core, preventing deformation and retaining weight.

AFRAME BONDED BULLETS SWIFT BULLET 270

CALIBER Safety Instructions

Introduction

Thank you for choosing the AFrame® Bonded Bullets Swift Bullet 270 Caliber (0.277") 150gr SemiSpitzer. This guide provides essential safety instructions to ensure safe handling, usage, and disposal of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this document carefully before use.

General Safety Guidelines

- Always treat all ammunition as if it is loaded and ready to fire.
- Store ammunition in a cool, dry place, away from direct sunlight and heat sources.
- Keep ammunition out of reach of children and unauthorized individuals.
- Use only in firearms that are specifically chambered for 270 caliber ammunition.
- Regularly inspect ammunition for any signs of damage or corrosion before use.
- Follow all local laws and regulations regarding the use and storage of ammunition.

Specific Safety Precautions for Use

- Ensure your firearm is in good working condition and has been properly maintained.
- Always wear appropriate eye and ear protection when shooting.
- Do not attempt to modify or alter the ammunition in any way.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not shoot at hard surfaces or water, as bullets can ricochet.
- Never point a firearm at anything you do not intend to shoot.

Instructions for Installation and Usage

• Loading the Ammunition:

- Open the magazine of your firearm according to the manufacturer's instructions.
- Carefully insert each bullet into the magazine, ensuring they are seated properly.
- Close the magazine securely before proceeding.

• Firing the Ammunition:

- Ensure the firearm is pointed in a safe direction.
- Check that the safety mechanism is disengaged according to the firearm's instructions.
- Aim at your target and squeeze the trigger gently to fire.
- After firing, keep the firearm pointed downrange until you are ready to check the results.

• PostUsage:

- Always unload the firearm when finished.
- Inspect the firearm and ammunition for any signs of malfunction or damage.
- Store any remaining ammunition in a secure location.

Disposal Instructions

- Dispose of spent cartridges and any unused ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash.

- Contact local waste management authorities for guidance on safe disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the use of AFrame® Bonded Bullets, please reach out to the designated EUbased contact point provided by the manufacturer or retailer.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your AFrame® Bonded Bullets Swift Bullet 270 Caliber. Always prioritize safety and remain informed about best practices in ammunition handling and usage. Thank you for your attention to these important guidelines.
