

A-FRAME BONDED BULLETS - SWIFT BULLET 30 CALIBER (0.308") 165GR SEMI-SPITZER 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

For 25 years A-Frame® rifle bullets have set the standard by which all bonded bullets are measured. With its controlled expansion of 2.2x and 95%+ weight retention A-Frame® penetrates deep and mushrooms perfectly, making it the choice of hunters for use on any game, anywhere in the world. Semi-spitzer nose profile to withstand recoil impact in magazine without deforming. Progressively tapered jacket controls rate of expansion over wide range of velocities. Pure lead core bonded jacket with Swift proprietary process A-Frame Cross member positioned to optimize expansion diameter for each caliber. Jacket formed from pure copper, not alloys. Protected rear core provides momentum for deep penetration. Thick jacket locks in rear core, preventing deformation and retaining weight.

Attributes

- Name: [SWIFT BULLET 30 CALIBER \(0.308"\) 165GR SEMI-SPITZER 50/BOX](#)
- Manufacturer: [SWIFT BULLET](#)

AFRAME BONDED BULLETS SWIFT BULLET 30 CALIBER Safety Instruction Guide

Introduction

Thank you for choosing the AFrame® Bonded Bullets Swift Bullet 30 Caliber. These rifle bullets are designed for optimal performance in hunting applications. To ensure your safety and the safety of others, please read this safety instruction guide carefully before use.

General Safety Guidelines

- Always follow local laws and regulations regarding the use of ammunition.
- Store ammunition in a cool, dry place away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized individuals.
- Inspect ammunition for any signs of damage or defects before use.
- Use only in firearms that are specifically designed for 30 caliber ammunition.
- Always wear appropriate eye and ear protection when handling or firing ammunition.

Specific Safety Precautions for Use

- **Controlled Environment:** Use these bullets only in a controlled environment, such as a shooting range or designated hunting area.
- **Proper Handling:** Avoid dropping or striking the ammunition against hard surfaces to prevent accidental discharge.
- **Loading and Unloading:** Always point the firearm in a safe direction when loading or unloading.
- **Recoil Management:** Be aware that the semispitzer design may affect recoil; ensure proper shooting stance and grip.
- **Check for Obstructions:** Before firing, ensure the barrel is clear of obstructions to prevent accidents.

Instructions for Installation and Usage

1. Loading the Firearm:

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm and visually inspect the chamber to confirm it is clear.
- Load the AFrame® Bonded Bullets into the magazine according to the manufacturer's instructions.
- Close the action and prepare to fire only when ready.

2. Firing the Ammunition:

- Always ensure a clear line of sight and a safe backstop before firing.
- Take a stable shooting position and align your sights.
- Squeeze the trigger smoothly to fire the bullet.

3. PostFiring:

- After firing, keep the firearm pointed in a safe direction until you are ready to unload.
- Open the action and remove any remaining ammunition.
- Inspect the firearm for any malfunctions or signs of wear.

Disposal Instructions

- Dispose of any unused or damaged ammunition in accordance with local regulations.
- Never throw ammunition in the regular trash.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or to report unsafe products, please refer to the appropriate authorities or local regulations.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your AFrame® Bonded Bullets Swift Bullet 30 Caliber. Thank you for prioritizing safety.
