

A-FRAME BONDED BULLETS - SWIFT BULLET 30 CALIBER (0.308") 180GR SEMI-SPITZER 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

For 25 years A-Frame® rifle bullets have set the standard by which all bonded bullets are measured. With its controlled expansion of 2.2x and 95%+ weight retention A-Frame® penetrates deep and mushrooms perfectly, making it the choice of hunters for use on any game, anywhere in the world. Semi-spitzer nose profile to withstand recoil impact in magazine without deforming. Progressively tapered jacket controls rate of expansion over wide range of velocities. Pure lead core bonded jacket with Swift proprietary process A-Frame Cross member positioned to optimize expansion diameter for each caliber. Jacket formed from pure copper, not alloys. Protected rear core provides momentum for deep penetration. Thick jacket locks in rear core, preventing deformation and retaining weight.

Attributes

- Name: [SWIFT BULLET 30 CALIBER \(0.308"\) 180GR SEMI-SPITZER 50/BOX](#)

AFRAME BONDED BULLETS SWIFT BULLET 30 CALIBER Safety Instruction Guide

Introduction

Thank you for choosing the AFrame® Bonded Bullets Swift Bullet 30 Caliber (0.308") 180gr SemiSpitzer. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read and understand this guide before using the bullets.

General Safety Guidelines

- Ensure safe handling and use of all nonfood products, including ammunition.
- Be aware of risks associated with the use of ammunition that may not be addressed by other regulations.
- Familiarize yourself with standardized recall notices and remedies for any dangerous products.
- When purchasing online, ensure that the seller complies with safety requirements similar to those of physical stores.
- Extra safeguards are necessary for vulnerable groups, including children; keep all ammunition out of their reach.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always handle ammunition with care and treat it as if it is loaded.
- Store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized users.
- Use only in firearms that are designed for the specific caliber (30 Caliber).
- Always wear appropriate eye and ear protection when using firearms.
- Ensure that the firearm is in good working order before use.
- Follow all local laws and regulations regarding the use and storage of ammunition.

Instructions for Installation and Usage

- Read the firearm's user manual for specific instructions regarding compatibility with 30 Caliber ammunition.
- Load the bullets into the magazine according to the firearm manufacturer's instructions.
- Do not exceed the recommended load for your firearm.
- After loading, ensure the firearm is pointed in a safe direction.
- Before firing, ensure the area is clear of any obstructions or people.
- Fire the ammunition only in a controlled environment, such as a shooting range.
- After use, clean the firearm according to the manufacturer's guidelines to ensure optimal performance.

Disposal Instructions

- Dispose of any unused or expired ammunition according to local laws and regulations.
- Do not throw ammunition in regular trash or recycling bins.
- Contact local authorities or waste management facilities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the contact details provided by your retailer or manufacturer.

By adhering to these guidelines, you can help ensure your safety and the safety of others while using AFRAME Bonded Bullets. Thank you for your attention to these important safety measures.
