

A-FRAME BONDED BULLETS - SWIFT BULLET 338 CALIBER (0.338") 250GR SEMI-SPITZER 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

For 25 years A-Frame® rifle bullets have set the standard by which all bonded bullets are measured. With its controlled expansion of 2.2x and 95%+ weight retention A-Frame® penetrates deep and mushrooms perfectly, making it the choice of hunters for use on any game, anywhere in the world. Semi-spitzer nose profile to withstand recoil impact in magazine without deforming. Progressively tapered jacket controls rate of expansion over wide range of velocities. Pure lead core bonded jacket with Swift proprietary process A-Frame Cross member positioned to optimize expansion diameter for each caliber. Jacket formed from pure copper, not alloys. Protected rear core provides momentum for deep penetration. Thick jacket locks in rear core, preventing deformation and retaining weight.

AFRAME BONDED BULLETS SWIFT BULLET 338

CALIBER Safety Instruction Guide

Introduction

Thank you for choosing the AFrame Bonded Bullets Swift Bullet 338 Caliber. This guide provides essential safety instructions to ensure the safe use of this product. Adhering to these guidelines will help protect you and others while using this ammunition.

General Safety Guidelines

- Ensure that all users of this product are knowledgeable about firearms and ammunition handling.
- Always treat every firearm as if it is loaded.
- Store ammunition in a cool, dry place, away from children and unauthorized users.
- Regularly inspect ammunition for any signs of damage or corrosion before use.
- Follow all local laws and regulations regarding the use and storage of ammunition.

Specific Safety Precautions for Use

- Always use the correct caliber of ammunition for your firearm. The AFrame Bullet is designed for 338 caliber firearms.
- Wear appropriate eye and ear protection when shooting.
- Never shoot at hard surfaces or water, as bullets can ricochet.
- Ensure that the firearm is pointed in a safe direction at all times.
- Do not attempt to modify or disassemble the ammunition.
- Be aware of your surroundings and ensure that there is a safe backstop when shooting.

Instructions for Installation and Usage

1. Loading the Firearm:

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm and visually inspect the chamber to confirm it is empty.
- Load the AFrame Bonded Bullet 338 Caliber into the magazine according to the manufacturer's instructions.
- Close the action of the firearm.

2. Firing the Ammunition:

- Once ready to shoot, ensure the firearm is aimed at the intended target.
- Engage the safety mechanism if applicable.
- When ready, take off the safety and pull the trigger to fire.

3. PostUse:

- After shooting, unload the firearm and visually inspect the chamber to confirm it is empty.
- Store any unused ammunition safely.

Disposal Instructions

- Dispose of any unused or damaged ammunition according to local regulations.
- Do not throw ammunition in regular trash.
- Contact local authorities or a licensed disposal facility for guidance on safe disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding this product, please refer to your local retailer or the manufacturer's support services. Always ensure you have the latest information regarding product recalls and safety notices.

Conclusion

By following these safety instructions, you can help ensure a safe and enjoyable experience while using the AFrame Bonded Bullets Swift Bullet 338 Caliber. Always prioritize safety and responsible handling of firearms and ammunition.
