

# A-FRAME HEAVY RIFLE BULLETS - 375 CALIBER (0.375") 300GR SEMI-SPITZER 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Heavy rifle A-Frame bullets are for use on dangerous game. The bullet initiates expansion at 1650 feet per second on the low end and stays together at 3000+ feet per second on the high end. Controlled expansion of 2x its original caliber and 95%+ weight retention make the A-Frame® bullet superior in downrange energy and stopping power. Terminal performance is unequalled.

## Attributes

# **AFRAME HEAVY RIFLE BULLETS 375 CALIBER (0.375") 300GR SEMISPITZER 50/BOX Safety Instruction Guide**

## **Introduction**

Thank you for choosing the AFrame Heavy Rifle Bullets. These bullets are specifically designed for use on dangerous game, providing controlled expansion and high weight retention for superior downrange energy and stopping power. This guide is intended to ensure your safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

## **General Safety Guidelines**

- Ensure safe handling and usage of the product to prevent accidents.
- Always store ammunition in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized individuals.
- Use only in firearms that are compatible with .375 caliber ammunition.
- Regularly check for any product recalls or safety alerts via the EU Safety Gate platform.
- Report any unsafe products or incidents to the appropriate authorities.

## **Specific Safety Precautions for Use**

- Always wear appropriate eye and ear protection when handling and shooting.
- Follow all local laws and regulations regarding the use of ammunition.
- Inspect each bullet before use for any signs of damage or defects.
- Avoid exposing the bullets to extreme temperatures or humidity.
- Do not attempt to modify or disassemble the bullets.
- Ensure that your firearm is in good working condition before loading and firing.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Read and understand your firearm's manual before using the bullets.
- Ensure the firearm is unloaded before handling the bullets.

### **2. Loading the Bullets:**

- Carefully load the AFrame bullets into the magazine or chamber of your firearm, following the manufacturer's guidelines.
- Ensure that the bullets are seated properly and securely.

### **3. Firing:**

- Always point the firearm in a safe direction when loading and firing.
- Check your surroundings before shooting to ensure no one is in the line of fire.
- Fire only in designated shooting areas or ranges.

### **4. PostFiring:**

- After firing, safely unload the firearm and store the bullets in a secure location.
- Clean your firearm according to the manufacturer's instructions to maintain its performance.

## **Disposal Instructions**

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular household waste.
- Contact local authorities or hazardous waste disposal facilities for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the AFrame Heavy Rifle Bullets, please refer to the manufacturer's contact information provided on the packaging or the official website.

This safety instruction guide is designed to help you use the AFRAME HEAVY RIFLE BULLETS safely and responsibly. By following these guidelines, you can ensure a safer shooting experience.
