

A-FRAME HEAVY RIFLE BULLETS - 416 CALIBER (0.416") 400GR SEMI-SPITZER 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Heavy rifle A-Frame bullets are for use on dangerous game. The bullet initiates expansion at 1650 feet per second on the low end and stays together at 3000+ feet per second on the high end. Controlled expansion of 2x its original caliber and 95%+ weight retention make the A-Frame® bullet superior in downrange energy and stopping power. Terminal performance is unequalled.

AFRAME HEAVY RIFLE BULLETS 416 CALIBER (0.416") 400GR SEMISPITZER 50/BOX Safety Instruction Guide

Introduction

Thank you for choosing the AFrame Heavy Rifle Bullets. These bullets are designed for use on dangerous game and provide superior downrange energy and stopping power. This guide aims to ensure your safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle ammunition with care and store it in a secure location away from children and unauthorized individuals.
- Ensure that you are familiar with local laws and regulations regarding the use and storage of ammunition.
- Inspect the bullets for any visible damage or defects before use.
- Use appropriate personal protective equipment (PPE) when handling ammunition, including eye and ear protection.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Only use the AFrame Heavy Rifle Bullets in firearms that are specifically designed for 416 caliber ammunition.
- Ensure that the firearm is in good working condition and has been properly maintained.
- Do not exceed the manufacturer's recommended load specifications.
- Avoid using these bullets in environments where there is a risk of ricochet or unintended targets.
- Be aware of your surroundings and ensure that you have a clear and safe shooting area.
- Never point a firearm at anything you do not intend to shoot.

Instructions for Installation and Usage

1. Preparation:

- Read the firearm's manual to understand the specific loading and unloading procedures.
- Ensure that the firearm is pointed in a safe direction and is unloaded before beginning the loading process.

2. Loading the Bullets:

- Open the box of AFrame Heavy Rifle Bullets.
- Carefully insert the bullets into the magazine or chamber of your firearm, following the manufacturer's instructions.
- Ensure that the bullets are seated properly and securely.

3. Firing:

- Before firing, doublecheck that the firearm is loaded correctly and that the safety is disengaged.
- Aim at the intended target and ensure a clear line of sight.
- Squeeze the trigger gently to fire the bullet.

4. PostFiring:

- After firing, unload the firearm immediately and safely.
- Inspect the firearm for any signs of malfunction or damage.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not dispose of ammunition in regular household waste.
- Contact local authorities or a licensed disposal facility for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the AFrame Heavy Rifle Bullets, please refer to the product packaging for contact details of the manufacturer or authorized distributor.

By following these safety instructions, you can ensure a safe and effective experience with the AFrame Heavy Rifle Bullets. Thank you for your attention to safety, and enjoy your shooting experience responsibly.
