

# A-FRAME BONDED BULLETS - SWIFT BULLET 6.5MM (0.264") 140GR SEMI-SPITZER 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

For 25 years A-Frame® rifle bullets have set the standard by which all bonded bullets are measured. With its controlled expansion of 2.2x and 95%+ weight retention A-Frame® penetrates deep and mushrooms perfectly, making it the choice of hunters for use on any game, anywhere in the world. Semi-spitzer nose profile to withstand recoil impact in magazine without deforming. Progressively tapered jacket controls rate of expansion over wide range of velocities. Pure lead core bonded jacket with Swift proprietary process A-Frame Cross member positioned to optimize expansion diameter for each caliber. Jacket formed from pure copper, not alloys. Protected rear core provides momentum for deep penetration. Thick jacket locks in rear core, preventing deformation and retaining weight.

## Attributes

# **AFRAME BONDED BULLETS SWIFT BULLET 6.5MM (0.264") 140GR SEMISPITZER Safety Instruction Guide**

## **Introduction**

Thank you for choosing the AFrame Bonded Bullets Swift Bullet 6.5mm (0.264") 140gr SemiSpitzer. This guide provides essential safety information to ensure the safe handling, usage, and disposal of the product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

## **General Safety Guidelines**

- Ensure that you are of legal age to purchase and use ammunition in your country or region.
- Always handle bullets with care and store them in a secure location away from children and unauthorized users.
- Follow all local laws and regulations regarding the use of ammunition.
- Inspect bullets for any visible damage before use. Do not use damaged bullets.
- Use appropriate safety gear, including eye protection and hearing protection, when handling or firing ammunition.

## **Specific Safety Precautions for Use**

- Only use the AFrame Bonded Bullets Swift Bullet 6.5mm with firearms that are designed for this caliber.
- Ensure that your firearm is in good working condition and properly maintained.
- Avoid using ammunition that is not specifically designed for your firearm to prevent malfunctions and accidents.
- Always point the firearm in a safe direction and keep your finger off the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure that there is a safe backstop before firing.
- Do not attempt to modify or disassemble the bullets or their packaging.

## **Instructions for Installation and Usage**

### **1. Loading the Bullets:**

- Open the box and carefully remove the bullets.
- Load the bullets into the magazine of your firearm according to the manufacturer's instructions.
- Ensure that the bullets are seated properly and securely in the magazine.

### **2. Firing the Bullets:**

- Follow the specific instructions provided by your firearm manufacturer regarding loading, firing, and unloading.
- Always ensure that the firearm is pointed in a safe direction.
- Fire only when you are sure it is safe to do so.

### **3. PostFiring:**

- After firing, ensure that the firearm is unloaded before cleaning or storing.
- Follow the manufacturer's instructions for cleaning your firearm after use.

## **Disposal Instructions**

- Dispose of any unused or expired bullets in accordance with local regulations.
- Do not throw bullets in the regular trash. Contact local waste management authorities for proper disposal methods.
- Ensure that bullets are stored safely until they can be disposed of properly.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the AFrame Bonded Bullets Swift Bullet 6.5mm, please refer to the product packaging for the appropriate contact information. It is important to have access to support for any questions you may have regarding the safe use of this product.

By following these guidelines, you can help ensure a safe and enjoyable experience with the AFRAME BONDED BULLETS SWIFT BULLET 6.5MM. Thank you for your attention to safety.
