

A-FRAME BONDED BULLETS - SWIFT BULLET 7MM (0.284") 160GR SEMI-SPITZER 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

For 25 years A-Frame® rifle bullets have set the standard by which all bonded bullets are measured. With its controlled expansion of 2.2x and 95%+ weight retention A-Frame® penetrates deep and mushrooms perfectly, making it the choice of hunters for use on any game, anywhere in the world. Semi-spitzer nose profile to withstand recoil impact in magazine without deforming. Progressively tapered jacket controls rate of expansion over wide range of velocities. Pure lead core bonded jacket with Swift proprietary process A-Frame Cross member positioned to optimize expansion diameter for each caliber. Jacket formed from pure copper, not alloys. Protected rear core provides momentum for deep penetration. Thick jacket locks in rear core, preventing deformation and retaining weight.

Attributes

- Name: [SWIFT BULLET 7MM \(0.284"\) 160GR SEMI-SPITZER 50/BOX](#)
- Manufacturer: [SWIFT BULLET](#)

AFRAME BONDED BULLETS SWIFT BULLET 7MM

Safety Instruction Guide

Introduction

Thank you for choosing the AFrame® Bonded Bullets Swift Bullet 7MM (0.284") 160GR SemiSpitzer. This guide provides essential safety information and instructions for the safe use of this product. Please read this guide carefully to ensure safe handling and use.

General Safety Guidelines

- Ensure that all users are familiar with firearm safety and handling practices.
- Always treat the bullet as if it is loaded.
- Store bullets in a secure location, away from children and unauthorized users.
- Inspect bullets regularly for any signs of damage or defects before use.
- Follow all local laws and regulations regarding ammunition and firearm use.
- Use appropriate protective gear, including eye and ear protection, when handling firearms.
- Report any unsafe products or accidents to local authorities.

Specific Safety Precautions for Use

- Only use AFrame® bullets in firearms that are designed for 7MM caliber ammunition.
- Verify that your firearm is in good working condition and suitable for the specific bullet type.
- Avoid using damaged or deformed bullets, as they may pose a risk of malfunction or injury.
- Do not exceed the manufacturer's recommended load specifications.
- Ensure that the bullet is properly seated in the cartridge case before use.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not shoot at hard surfaces or water, as bullets may ricochet.

Instructions for Installation and Usage

- Ensure that you are in a safe and controlled environment before handling the bullets.
- Load the bullets into the magazine according to the firearm's user manual.
- When ready to use, point the firearm in a safe direction and ensure the safety is engaged until ready to fire.
- Follow the manufacturer's instructions for your specific firearm regarding loading, firing, and unloading procedures.
- After use, always clean your firearm according to the manufacturer's recommendations to maintain its condition.

Disposal Instructions

- Dispose of unused or expired bullets in accordance with local regulations.
- Do not dispose of bullets in regular household waste.
- Contact local authorities or hazardous waste disposal facilities for guidance on safe disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the AFrame® Bonded Bullets Swift Bullet 7MM, please consult the product packaging for manufacturer contact information or visit the manufacturer's website for more details.

Remember to prioritize safety and responsible handling at all times. Thank you for your attention to these guidelines.
