

# SCIROCCO II BONDED BULLETS - 30 CALIBER (0.308") 165GR BOAT TAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Scirocco® II, with the Signature Black Tip™, is a superbly accurate hunting bullet designed for long-range efficiency. It carries velocity and energy better than any of its competitors. Its sleek design and high ballistic coefficient produces the flattest trajectory in downrange hunting, making it a perfect match for long-range cartridges. The Scirocco® II produces positive expansion at minimal velocities as well as controlled expansion and high weight retention at close range. No other tipped bullet offers the terminal range of Scirocco™ II. Polymer tip initiates expansion and is precisely shaped to reduce frontal air resistance. Advanced secant ogive nose profile allows high ballistic coefficient. Pure copper jacket is progressively tapered to control expansion development throughout a wide range of velocities. Jacket and core are joined together using proven Swift bonding technology. Long driving band for improved rotational stability. Boat tail base profile reduces drag and eases seating. Thick base prevents bullets deformation in high-velocity magnum calibers.

## Attributes

- Name: [30 CALIBER \(0.308"\) 165GR BOAT TAIL 100/BOX](#)
- Manufacturer: [SWIFT BULLET](#)
- Product no.: 749011750
- Mfr. No.: 821650
- Ballistic Coefficient (G1): 0.367
- Brand Style: Scirocco II
- Bullet Style: Boat Tail (BT)
- Caliber: 30 Caliber
- Diameter (Breech): 0.308
- Diameter (in): 0.308
- Grain: 165
- Sectional Density: 0.248
- Quantity: 100
- Delivery weight: 1.089kg
- Shipping height: 38mm
- Shipping width: 61mm
- Shipping length: 97mm
- UPC: 713351821650

## Item details

Made in USA

US export classification: 0A505.x

# Safety Instruction Guide for SCIROCCO II BONDED BULLETS 30 CALIBER (0.308") 165GR BOAT TAIL

## Introduction

Welcome to the safety instruction guide for the SCIROCCO II BONDED BULLETS. This guide provides essential information for the safe use of this product, ensuring compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

## General Safety Guidelines

- **Product Safety:** Ensure the safe use of all nonfood products, including new technologies and online purchases.
- **Enhanced Recalls:** Be aware of standardized recall notices and free remedies for dangerous products.
- **Online Shopping:** Understand that you have the same protections when shopping online as you do in physical stores.
- **Special Consumer Focus:** Extra safeguards are in place for vulnerable groups, including children.
- **EU Contact Point:** All products must have an EU-based contact for safety inquiries.
- **Rapid Alerts:** Stay informed about unsafe products through the Safety Gate system.

## Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals aged 18 and older. Ensure that minors are not permitted to handle or use this product.
- **Protective Gear:** Always wear appropriate protective gear, including eye protection and hearing protection, when using this product.
- **Storage:** Store the bullets in a cool, dry place, away from direct sunlight and out of reach of children.
- **Handling:** Handle with care to avoid accidental discharge. Always treat bullets as if they are loaded.
- **Transport:** When transporting, ensure that the bullets are stored in a secure container to prevent movement and potential accidents.
- **Environment:** Do not use this product in confined spaces or where there is a risk of ricochet.

## Instructions for Installation and Usage

- **Installation:**
  - Ensure that the firearm is unloaded before installing the bullets.
  - Follow the manufacturer's instructions for loading the bullets into the firearm.
- **Usage:**
  - Always check your surroundings before firing to ensure a safe environment.
  - Use only in designated areas where shooting is permitted.
  - Do not attempt to modify or alter the bullets in any way.
  - After use, ensure that the firearm is unloaded and stored safely.

## Disposal Instructions

- **Disposal of Unused Bullets:**
  - Do not dispose of bullets in regular trash.
  - Contact local authorities for information on proper disposal methods for ammunition.
- **Empty Packaging:** Dispose of packaging materials in accordance with local recycling guidelines.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the SCIROCCO II BONDED BULLETS, please refer to the manufacturer's contact information provided on the packaging or visit their official website for more details.

By adhering to these safety guidelines and precautions, you can ensure a safe and responsible experience with the SCIROCCO II BONDED BULLETS. Thank you for choosing our product.
