

SCIROCCO II BONDED BULLETS - 6.5MM (0.264") 130GR BOAT TAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Scirocco® II, with the Signature Black Tip™, is a superbly accurate hunting bullet designed for long-range efficiency. It carries velocity and energy better than any of its competitors. Its sleek design and high ballistic coefficient produces the flattest trajectory in downrange hunting, making it a perfect match for long-range cartridges. The Scirocco® II produces positive expansion at minimal velocities as well as controlled expansion and high weight retention at close range. No other tipped bullet offers the terminal range of Scirocco™ II. Polymer tip initiates expansion and is precisely shaped to reduce frontal air resistance. Advanced secant ogive nose profile allows high ballistic coefficient. Pure copper jacket is progressively tapered to control expansion development throughout a wide range of velocities. Jacket and core are joined together using proven Swift bonding technology. Long driving band for improved rotational stability. Boat tail base profile reduces drag and eases seating. Thick base prevents bullets deformation in high-velocity magnum calibers.

Attributes

- Name: [6.5MM \(0.264"\) 130GR BOAT TAIL 100/BOX](#)
- Manufacturer: [SWIFT BULLET](#)
- Product no.: 749011751
- Mfr. No.: 761307
- Ballistic Coefficient (G1): 0.571
- Brand Style: Scirocco II
- Bullet Style: Boat Tail (BT)
- Caliber: 6.5mm,264 Caliber
- Diameter (Breech): -
- Diameter (in): 0.264
- Grain: 130
- Sectional Density: 0.266
- Quantity: 100
- Delivery weight: 0.862kg
- Shipping height: 38mm
- Shipping width: 56mm
- Shipping length: 97mm
- UPC: 713351761307

Safety Instruction Guide for SCIROCCO II BONDED BULLETS 6.5MM (0.264") 130GR BOAT TAIL 100/BOX

Introduction

Thank you for choosing SCIROCCO II BONDED BULLETS. This guide provides important safety instructions to ensure the safe use and handling of this product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure safe handling and storage of the product to prevent accidents.
- Follow all local laws and regulations regarding the use of ammunition.
- Keep ammunition out of reach of children and unauthorized users.
- Regularly check for updates on product recalls and safety notices through the EU's Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always treat every bullet as if it is loaded.
- Use only in firearms that are designed for the specified caliber (6.5mm or 0.264").
- Wear appropriate eye and ear protection when handling or shooting.
- Do not use damaged or corroded bullets.
- Ensure that your firearm is in good working order before use.
- Avoid using bullets in extreme temperatures or conditions that may affect performance.
- Be aware of your target and what lies beyond it.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded before inserting the bullet.
- Carefully insert the bullet into the chamber, following the manufacturer's instructions for your specific firearm model.
- Ensure that the bullet is seated properly and securely.

2. Usage:

- Always aim in a safe direction.
- Be aware of your surroundings and ensure that the shooting area is clear of people and animals.
- Follow the specific instructions for your firearm regarding loading and firing.
- After firing, check the firearm for any obstructions or malfunctions before reloading.

Disposal Instructions

- Dispose of used or damaged bullets according to local regulations.
- Do not dispose of bullets in regular household waste.
- Contact local authorities or waste management services for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use of SCIROCCO II BONDED BULLETS, please refer to the manufacturer's website or contact your local retailer for assistance.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your SCIROCCO II BONDED BULLETS. Always prioritize safety and be responsible in your use of ammunition.
